<sup>1</sup> Campus 2011/12 CalPERS employer-paid retirement rate adjustments reflect the difference between the 2010/11 composite (July 2010 & Jan. 2011) rates funded by the state during 2010/11 and the new 2011/12 rates; the additional SWP adjustment reconciles the applicable CSU 2011/12 GF appropriation that was based upon the difference between the higher July 2010 rates applied to the full year and the new 2011/12 rates.

<sup>2</sup> Includes lease revenue bond adjustments (-\$50,000 in 2011/12; \$5,545,000 in 2012/13); annuitants' dental adjustment (\$1,096,000), and offset of funding restoration (-\$2,372,800).

<sup>3</sup> Represents the provision to shift general obligation bond debt service into CSU's budget (\$189,775,000).

<sup>4</sup>The total CSU 2012/13 assessment (\$2,217,000) represents a \$1.31M adjustment to the 2011/12 \$3.53M level. The campus base budget adjustments will replace the previous CPO quarterly assessments in 2012/13.

<sup>1</sup> For purposes of 2012/13 budget allocations, there is no change in number of resident full-time equivalent students from 2011/12 budget targets. The nonresident FTES is equal to the 2010/11 actual FTES.

<sup>2</sup> Represents change in actual student enrollment patterns from 2009/10 to 2010/11 (past-year actual).
