Chair Galinson called the meeting to order.

**Public Comment**

The Board of Trustees heard comments from the following members of the public: Pat Gantt, CSUEU President, who spoke about the problems related to staffing, budget cuts, enrollment targets and problems with audits. Chair Galinson responded that the Board would work with compassion to assist campuses. Dennis Dillon CSUEU Vice President for Representation, spoke about the audit report and how difficult it is for campuses to hire and retain personnel. He urged the board to consider raising salary ranges to a cost of living range and that employees should be given the opportunity to move forward in their salary ranges. He pointed out that, it is difficult to hire staff who face housing and cost of living issues. Chancellor Reed noted that the CSU has completed or has under construction 1,890 housing units for faculty and staff, and stated that where there is housing available for faculty, staff is also eligible to live in that housing. He said that there are plans for another 1,800 units to be built within the next several years and that he is

working with the presidents to put housing units on every campus possible. Rocky Waters, Bargaining Unit 9, spoke about compensation issues, particularly mitigating salary lags. He said that CSUEU and the CSU were working together to update salary ranges. He said that he looked forward to seeing the staff salary report soon. Thomas Landerfeld, Professor of Biology, CSUDH and member of the CSU Whistlebusters group. He stated that when the matter was brought before the Board in February, members of the board indicated that they would look into the matter and prepare a report. He stated that his reason for appearing before the board was to inquire what the status of the Board's report was. Chair Galinson asked that Vice Chancellor McClain and General Counsel Christine Helwick provide a report about the status of this matter for the next meeting. Joseph Teixeira, CSUDH Alumni, regarding problems encountered while at CSUDH. Chair Galinson thanked each of the speaker for their comments.

**Approve the Campus Master Plan Revision and Land Exchange for California State University, Monterey Bay (RCPBG 03-06-04)**

Trustee Esparza moved the item; there was a second.

The Board of Trustees approved the following resolution:

**RESOLVED**, By the Board of Trustees of the California State University, that:

1. The Final SEIR for the California State University, Monterey Bay master plan certified in November 2004 and the Addendum prepared in February 2006, were prepared to address the environmental effects, mitigation measures, project alternatives, and comments and responses to comments associated with the approval and implementation of the proposed master plan revision, pursuant to the requirements of the California Environmental Quality Act, the CEQA Guidelines, and CSU CEQA procedures.
2. The previously certified Final SEIR and the Addendum address all discretionary actions related to the proposed master plan revision, land exchange, and construction of the north campus entrance project, as identified in Part I, Project Description of the Final SEIR and the Addendum referenced herein.
3. This resolution is adopted pursuant to the requirements of Section 21081 of the Public Resources Code (CEQA) and Section 15091 of Title 14 of the California Code of Regulations (CEQA Guidelines), which require that the Board of Trustees make findings prior to approval of a project along with a statement of fact supporting each finding.
4. The previously certified Final SEIR for the California State University, Monterey Bay master plan 2004, identified the north campus entrance project for which the Final SEIR was complete, requiring no further CEQA compliance.
5. The Addendum to the previously certified Final SEIR referenced herein has been prepared to address minor changes to the north campus entrance project, from that described in the master plan 2004 Final SEIR. The minor changes have resulted from identification of the respective land exchange property locations and the campus boundary adjustment described in this agenda item. The Addendum thus more completely describes the project in accordance with Section 15164 of the CEQA Guidelines, in that it has adequately analyzed the project in light of potential environmental impacts from the master plan revision and land exchange. Said Addendum is hereby incorporated in the

previously certified Final SEIR dated November 2004, for purposes of CEQA compliance and action by the board on this proposed master plan revision, land exchange, and future north campus entrance project.

6. The master plan revision and land exchange before this board, as further described in the Addendum to the Final SEIR, is consistent with the north campus entrance project description as analyzed in the previously certified Final SEIR and does not propose substantial changes to the original entrance project description, which would require major revision to the Final SEIR, the Findings, or Mitigation Measures adopted by this board.
7. The board has adopted the Findings of Fact and related mitigation measures identified in the Mitigation Monitoring Program for the Agenda Item 4 of the November 16-17, 2004 meeting of the Board of Trustees' Committee on Campus Planning, Buildings and Grounds, which remain applicable for specific impacts of the proposed master plan revision and land exchange as described in the Addendum, and are hereby incorporated by reference.
8. The board has adopted Findings of Fact in the previously certified Final SEIR, November 2004, that include specific overriding considerations that outweigh certain remaining unavoidable significant impacts to water and traffic, and these overriding considerations remain applicable for this master plan revision, land exchange, and the north campus entrance project.
9. The CSU Monterey Bay master plan revision dated March 2006 and land exchange is hereby approved, and the chancellor or his designee is authorized under the Delegation of Authority granted by the Board of Trustees to execute all necessary documents to effect the land exchange, subject to satisfaction of any remaining Due Diligence requirements.

**Certify the Final Environmental Impact Report (FEIR) and Approve the Campus Master Plan Revision with Enrollment Ceiling Increase for California State University, Northridge (RCPBG 03-06-05)**

Trustee Esparza moved the item; there was a second.

The Board of Trustees approved the following resolution:

**RESOLVED**, By the Board of Trustees of the California State University, that:

1. The Final EIR for the California State University, Northridge 2005 Master Plan Revision has been prepared to address the potential significant environmental impacts, mitigation measures, and project alternatives, comments and response to comments associated with the proposed master

plan revision, pursuant to the requirements of the California Environmental Quality Act, the CEQA Guidelines, and CSU CEQA procedures.

2. The Final EIR addresses the proposed increased enrollment, and all discretionary actions relating to it, including three near term construction projects as identified in Project Description, Section 2.0 of the Final EIR.
3. This resolution is adopted pursuant to the requirements of Section 21081 of the Public Resources Code and Section 15091 of Title 14 of the California Code of Regulations (CEQA Guidelines), which require that the Board of Trustees make findings prior to the approval of a project along with a statement of facts supporting each finding.
4. This board hereby adopts the Findings of Fact and related mitigation measures identified in the Mitigation Monitoring Program for Agenda Item 5 of the March 14-15, 2006 meeting of the Board of Trustees' Committee on Campus Planning, Buildings and Grounds, which identifies specific impacts of the proposed project and related mitigation measures, which are hereby incorporated by reference.
5. The board has adopted Findings of Fact that include specific overriding considerations that outweigh certain remaining unavoidable significant impacts to air quality, noise, traffic, and public utilities.
6. Prior to the certification of the Final EIR, the Board of Trustees has reviewed and considered the above-mentioned Final EIR, and finds that the Final EIR reflects the independent judgment of the Board of Trustees. The board hereby certifies the Final EIR for the proposed project as complete and adequate in that the Final EIR addresses all significant environmental impacts of the proposed project and fully complies with the requirements of CEQA and the CEQA Guidelines. For the purpose of CEQA and the CEQA Guidelines, the administrative record of proceedings for the project is comprised of the following:
  - A. The Draft EIR for the California State University, Northridge 2005 Master Plan Revision;
  - B. The Final EIR, including comments received on the Draft EIR, and responses to comments;
  - C. The proceedings before the Board of Trustees relating to the subject project, including testimony and documentary evidence introduced at such proceedings; and
  - D. All attachments, documents incorporated, and references made in the documents as specified in items (A) through (C) above.

7. The above information is on file with The California State University, Office of the Chancellor, Capital Planning, Design and Construction, 401 Golden Shore, Long Beach, California 90802-4210 and at California State University, Northridge, Facilities Planning, Design and Construction, University Hall Room 325, 18111 Nordhoff Street, Northridge, California 91330-8219.
8. The board hereby certifies the Final EIR for the California State University, Northridge 2005 Master Plan Revision dated March 2006 as complete and in compliance with CEQA.
9. The mitigation measures identified in the Mitigation Monitoring and Reporting Plan are hereby adopted and shall be monitored and reported in accordance with the Mitigation Monitoring Program for Agenda Item 5 of the March 14, 2006 meeting of the Board of Trustees' Committee on Campus Planning, Buildings and Grounds, which meets the requirements of CEQA (Public Resources Code, Section 21081.6).
10. The California State University, Northridge 2005 Master Plan Revision dated March 2006 is approved at a master planned enrollment ceiling of 35,000 FTE.
11. The chancellor or his designee is requested under the Delegation of Authority by the Board of Trustees to file the Notice of Determination for the project.
12. The following "near term" projects identified in the Final EIR are determined to be fully analyzed in the Final EIR for the purposes of compliance with CEQA for future implementation: Performing Arts Center (#54), Parking Structure PS-G3 (#155), and the Transit Center (#121).

### **Approval of Schematic Plans (RCPBG 03-06-06)**

Trustee Esparza moved the item; there was a second.

The Board of Trustees approved the following resolution:

#### **1. California State University, East Bay—Student Services Replacement Building**

**RESOLVED**, By the Board of Trustees of the California State University, that:

1. The board finds that the Categorical Exemption for the California State University, East Bay, Student Services Replacement Building project has been prepared in accordance with the requirements of the California Environmental Quality Act.

2. The proposed project will not have a significant adverse impact on the environment, and the project will benefit the California State University.
3. The schematic plans for the California State University, East Bay Student Services Replacement Building project are approved at a project cost of \$42,361,000 at CCCI 4633.

## **2. California State University, Northridge—Performing Arts Center**

**RESOLVED**, By the Board of Trustees of the California State University, that:

1. The Final EIR for the California State University, Northridge 2005 Master Plan has been prepared to address the environmental effects, mitigation measures, project alternatives, and comments and responses to comments associated with the proposed master plan revision, pursuant to the requirements of the California Environmental Quality Act, the CEQA guidelines, and CSU CEQA procedures.
2. The Final EIR addresses all discretionary actions relating to the master plan revision including the design and construction of the Performing Arts Center identified in Section 1.0 Project Description of the Final EIR.
3. This resolution is adopted pursuant to the requirements of Section 21081 of the Public Resources Code (CEQA) and Section 15091 of Title 14 of the California Code of Regulations (CEQA Guidelines), which require that the Board of Trustees make findings prior to approval of a project along with a statement of fact supporting each finding.
4. The Final EIR for the California State University, Northridge 2005 Master Plan identified and fully analyzed the Performing Arts Center as a near term project for which the Final EIR analysis is complete and adequate to allow the project to be implemented with no further CEQA compliance.
5. The project before this board is consistent with the project description as analyzed in the Final EIR and does not propose substantial changes to the project description set forth in the Final EIR, the Findings or Mitigation Measures adopted by this board.
6. This board has adopted the Findings of Fact and related mitigation measures identified in the Mitigation Monitoring Program for Agenda Item 5 of the March 2006 meeting of the Board of Trustees' Committee on Campus Planning, Buildings and Grounds, which are applicable for specific impacts related to the design and construction of the proposed Performing Arts Center, and are hereby incorporated by reference.

7. The board has adopted Findings of Fact that include specific overriding considerations that outweigh certain remaining unavoidable significant impacts to local air quality, noise, traffic, and public utilities.
8. The schematic plans for the California State University, Northridge Performing Arts Center are approved at a project cost of \$99,948,000 at CCCCI 4633.

**3. California State Polytechnic University, Pomona—Innovation Village, Phase III**

**RESOLVED**, By the Board of Trustees of the California State University, that:

1. The board finds that the Mitigated Negative Declaration and Initial Study for the Innovation Village Phase III were prepared pursuant to the requirements of the California Environmental Quality Act.
2. The proposed project will not result in a significant adverse effect on the environment because potential impact from construction and operation of the proposed project will be mitigated to less than significant levels.
3. The board hereby concurs with the findings of fact and related mitigation measures in the Mitigated Negative Declaration that identify that the proposed project will reduce all potential significant effects on the environment to less than significant.
4. No additional mitigation measures are necessary.
5. The project will benefit the mission of the California State University.
6. The schematic plans for the California State Polytechnic University, Pomona Innovation Village, Phase III are approved at a project cost of \$21,158,000 at CCCCI 4328.

**4. California State University, Sacramento—Recreation Wellness Center, Phase I**

**RESOLVED**, By the Board of Trustees of the California State University, that:

1. The board finds that the Categorical Exemption for the California State University, Sacramento, Recreation Wellness Center, Phase I project has been prepared in accordance with the requirements of the California Environmental Quality Act.

2. The proposed project will not have a significant adverse impact on the environment, and the project will benefit the California State University.
3. The schematic plans for the California State University, Sacramento Recreation Wellness Center, Phase I are approved at a project cost of \$9,076,000 at CCCI 4328.
