The minutes of July 18, 2006 were approved as submitted.

Trustee Galinson called the Committee on Collective Bargaining meeting to order and recognized Vice Chancellor McClain, who then turned it over to Assistant Vice Chancellor Strafaci, who presented and asked the Committee to adopt one and ratify two contracts.

Assistant Vice Chancellor Strafaci recommended, first, the adoption of California State University Employees Union (CSUEU) first contract for English Language Employees (Unit 13) so it can begin bargaining the contract, and second, the ratifications of CSU's tentative agreements with the Union of American Physicians and Dentists (UAPD) and the International Union of Operating Engineers (IUOE). With each of the aforementioned contracts, motions were made, seconded, and carried.

Then the Committee heard presentations from various union representatives.

Mr. Pat Gantt, President of CSUEU, and his colleagues, Mr. Dennis Dillon and Mr. Rocky Waters, reported that there has been steady progress in the bargaining for a new contract with the CSU. However, they noted that there is more work left to be done on several issues, and expressed their hope that the bargaining can be concluded in the sessions scheduled for later this week. To which, Trustee Galinson has reiterated the Board's commitment to address their issues by its continued implementation of CSU's 5-year budget plan.

Dr. Charles Goetzl, President of Academic Professionals of California (APC), again reported favorably on the collaborative approach that APC and CSU have utilized in settling many outstanding issues. Dr. Goetzl reassured the Committee of APC's continued efforts to improve the relationship with the CSU.
