## PUBLIC MEETING NOTICE

### CALIFORNIA STATE UNIVERSITY TRUSTEE WORKGROUP ON STUDENT SUCCESS FEES

Members of the California State University Trustee workgroup on student success fees will be visiting the Northridge, Sonoma and Los Angeles campuses, to meet with faculty, students and staff to discuss category II, student success fees. The workgroup would like to hear from all interested parties about their views on student success fees as outlined below. This workgroup was formed in response to inquiries from trustees, faculty, students, staff and legislators about student success fees and their roles within the California State University system. The charge to the committee is to study and present findings on the following:

1. The process and history by which category II campus-based mandatory fees are enacted and the approval process;
2. The notification process by which the Board of Trustees and Chancellor are informed of category II fee discussions on campuses;
3. The accountability and outcome reporting process to the stakeholders of category II fees to include, the Board of Trustees, students, faculty and staff and the public at large;
4. The impact of category II fees on student success, and affordability;
5. The inequity of category II fees across the 23 campus system, with an additional overlay of racial, socioeconomic, and academic readiness data.

At each of the noticed meetings, the workgroup will follow the agenda:

1. Opening remarks by Chancellor White regarding the purposes and charge of the working group
2. Comments from workgroup members
3. Public comment regarding category II, student success fees
