RESOLVED, by the Board of Trustees of the California State University, that the chancellor or designee is authorized to negotiate and execute the terms of a Memorandum of Understanding with the County of Placer related to the development of an off-campus center for Sacramento State.

RESOLVED, By the Board of Trustees of the California State University, that the proposed off-campus center for Sacramento State will be called “Sacramento State-Placer Center”.

RESOLVED, the Board, acting as a responsible agency, has analyzed:

- a. The PRSP Draft Environmental Impact Report for the Sunset Area Plan/Placer Ranch Specific Plan (https://www.placer.ca.gov/2702/Sunset-Area-Plan---Placer-Ranch-Specific#tab40562e19-7975-40f0-931a-105b173f34f3_1), Final Environmental Impact Report for the Sunset Area Plan/Placer Ranch Specific Plan, Errata, and appendices and references thereto (https://www.placer.ca.gov/2702/Sunset-Area-Plan---Placer-Ranch-Specific#tab40562e19-7975-40f0-931a-105b173f34f3_0) certified by the Placer County Board of Supervisors, as Lead Agency on December 10, 2019 by Placer County Resolution No. 2019-241; and

- b. The Mitigation Monitoring and Reporting Program
<https://www.placer.ca.gov/DocumentCenter/View/40778/Chapter-4---Mitigation-Monitoring-and-Reporting-Program-PDF>); and the Findings of Fact and Statement of Overriding Considerations
<https://www.placer.ca.gov/DocumentCenter/View/41408/02A->.

The documents referenced in subparts (a) and (b), above, each are maintained in the files of the California State University and are fully incorporated herein by reference.

RESOLVED, The Board of Trustees of the California State University has duly considered and hereby adopts the Draft Environmental Impact Report and the Final Environmental Impact Report including all errata, and appendices and references thereto.

RESOLVED, the Board of Trustees of the California State University, acting as a Responsible Agency with respect to the Sunset Area Plan/Placer Ranch Specific Plans due to its discretionary authority over approving and developing the proposed Sacramento State – Placer Center, hereby adopts the Findings of Fact and Mitigation Monitoring and Reporting Program for the Final Environmental Impact Report, which identify the specific impacts of Sunset Area Plan/Placer Ranch Specific Plan and the related mitigation measures, which are hereby incorporated by reference. Insofar as the mitigation measures identified in the Mitigation Monitoring and Reporting Program pertain to the Sacramento State-Placer Center site and are applicable to The California State University, such measures shall be monitored and reported by The California State University to the extent required by CEQA and consistent with the Mitigation Monitoring and Reporting Program.

RESOLVED, the Board of Trustees of the California State University hereby adopts the Statement of Overriding Considerations for the Final Environmental Impact Report for the Sunset Area Plan/Placer Ranch Specific Plans, which the County of Placer, acting as the lead agency, adopted at the time of Final Environmental Impact Report certification on December 10, 2019, which states that project benefits outweigh the remaining significant and unavoidable aesthetic, agricultural, air quality, biological resource, cultural (archaeological and historic) resource, geology and soils (including paleontological resource), greenhouse gas emissions, hazards and hazardous materials, hydrology and water quality, land use, noise, population and housing, and transportation and circulation, and utility impacts.

RESOLVED, the Board of Trustees of the California State University, by adopting the Findings of Fact for the Sunset Area Plan/Placer Ranch Specific Plans in its capacity as a Responsible Agency, finds that the inclusion of certain mitigation measures as a part of the project approval will reduce most, but not all, of these effects to less than significant levels. Those impacts which are not reduced to less than significant levels are identified as significant and unavoidable and are overridden due to specific project benefits are identified in the Findings of Fact and Statement of Overriding Considerations.

RESOLVED, The Board of Trustees of the California State University has reached its own conclusions regarding whether to adopt the Environmental Impact Report, Mitigation Monitoring and Reporting Program, and Findings of Fact and Statement of Overriding Considerations, as required pursuant to CEQA Guidelines § 15096, subd. (a) and subd. (f).

RESOLVED, by the Board of Trustees of the California State University, that Chancellor or his designee is requested under Delegation of Authority granted by the Board of Trustees, and acting as a Responsible Agency with respect to the Sunset Area Plan/Placer Ranch Specific Plan project, to file a Notice of Determination for the Final Environmental Impact Report within five (5) working days, in accordance with Public Resources Code § 21152(a) and CEQA Guidelines § 15096(i).
