EFFECT OF AGREEMENT

- 3.1 This Agreement constitutes the entire Agreement of the Trustees and the Union, arrived at as a result of meeting and conferring. The terms and conditions may be altered, changed, added to, deleted from, or modified only through the voluntary and mutual consent of the parties in an expressed written amendment to the Agreement. This Agreement supersedes all previous Agreements, understandings, policies, and prior practices related to matters included within this Agreement.
- 3.2 The parties acknowledge that, during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to offer proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Except as provided for in this Agreement, the Employer and the Union, for the life of this Agreement, voluntarily and unqualifiedly waive the right, and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject or matter referred to or covered by this Agreement, or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge of or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.
- 3.3 When the CSU determines that a study to develop new classifications or to revise current classifications is necessary, the CSU shall notify the Union. Within fifteen (15) days of such notification, the Union may request a meeting with the CSU to discuss the classification study. Such a meeting shall be held at the Office of the Chancellor.

Policies

- 3.4 Notwithstanding the provisions of Article 3 of this Agreement, the Parties agree that certain issues involving the implementation of policies that are within the mandatory scope of representation under HEERA shall be subject to the negotiation and resolution procedures set forth below.

Scope of Procedure

- a. Only those issues related to the implementation of or changes in policies that:
 - 1. affect Unit 4 employees; and
 - 2. are not addressed in the Agreement; and
 - 3. are within the mandatory scope of representation under HEERA; and
 - 4. have not been waived by the Unionshall be subject to this procedure.
- b. Further, only those issues where the CSU has given official notice to APC on or subsequent to September 1, 2004 shall be subject to this procedure. Official notice shall be defined as written notice to the APC President at the Union's Statewide Office.
- c. The terms of this procedure shall not apply to policies that are required to be implemented by law.

Procedure

- a. Upon receipt of the proposed policy, APC will advise the CSU that APC either (1) has no objection to the policy, (2) desires to meet and discuss the proposed policy, or (3) desires to meet and confer regarding the proposed policy.
- b. Bargaining will be required pursuant to this procedure only if the APC has requested in writing to the CSU that it desires to meet and confer on such issue(s) within the time period provided in the notification or within thirty (30) days of receipt of the notification, whichever is longer.
- c. If the conditions set forth in provisions A. and B. above are met, the Parties will meet within thirty (30) days of the Union's request to meet, unless there is mutual agreement to extend the time period in which to meet, to negotiate over any portions of the policy that are within the mandatory scope of representation under HEERA or, in the case of a change in an existing policy, the portions of the change that are within the mandatory scope of representation under HEERA.

- d. If there is a dispute as to whether the conditions set forth in provisions A and B above are met, the parties will meet within thirty (30) days of either party notifying the other of this dispute to discuss whether the policy in question is subject to the procedure set forth in this Article. APC retains the right to challenge before PERB any implementation of a policy alleged by the CSU to be required under law if APC believes the CSU failed to honor a duty to bargain under HEERA. APC also retains the right to challenge before PERB any implementation of a policy regarding which the parties did not agree that the policy (1) was within the mandatory scope of representation, (2) was not already addressed in the Agreement, or (3) had not been subject to waiver by APC.

Arbitration

- a. After a period of negotiations of no less than sixty (60) days, either Party may request arbitration of any remaining issue(s) in dispute. Upon agreement of the other Party, that request may involve the consolidation of issues dealing with a single issue or type of policy arising on more than one CSU campus.
- b. Upon filing of a dispute for arbitration, the matter shall be set for hearing according to the arbitration procedures under Article 10 of the Agreement.
- c. The arbitrator shall have the authority to resolve any case scheduling disputes that may arise.
- d. The arbitrator may issue a remedy that requires a deletion of the disputed portion(s) of the policy; this decision relative to the disputed portion(s) must be accepted or rejected as a whole. The decision of the arbitrator on disputes presented for resolution under this procedure shall be final and binding on the Parties, unless the CSU decides, after receipt of the decision, not to implement the disputed portion(s) of the policy. If the CSU decides not to implement the policy, the CSU will not bring forward another policy that addresses the same claim or controversy in dispute at that campus or, in the case of system wide policies, another systemwide policy that addresses the same claim or controversy in dispute, until the expiration date of the Agreement. When CSU decides not to implement the policy the CSU shall pay all of the arbitrator's and all of the court reporter's fees when the parties mutually agree to use a court reporter. The arbitrator shall have no power to determine whether the need exists for the implementation of the policy, except that the arbitrator may issue a remedy that requires a deletion of the disputed portion(s) of the policy.

- e. Except as provided in provision C above, policies brought forward for negotiation and resolution under this procedure shall not be implemented in Unit 4 unless (1) agreed by the parties, (2) ordered by the arbitrator, and in the form ordered by the arbitrator, or (3) APC does not exercise its right to bargain pursuant to provision E above.

Duration

- a. Absent an agreement by the parties to the contrary, no cases may be submitted to adjudication under the terms of this procedure after the expiration of this Agreement.

ARTICLE 4

SAVINGS CLAUSE

- 4.1 If the University believes that any provision of this Agreement is contrary to law, the University shall provide sixty (60) days' advance notice to the Union that such provision will be of no force or effect, but the remainder of this Agreement will continue in full force and effect. The notification shall include the specific reasons why the University believes that the provision(s) is contrary to law, including reference to relevant court decisions and/or statutory changes or any other relevant adjudicated rulings by an agency or court of competent jurisdiction.
- 4.2 In the event that the Union disagrees with the University's decision to nullify such a provision, the Union reserves the right to contest the University's determination by appealing the decision to Level III, arbitration, pursuant to Article 10, Grievance Procedure. The parties expressly agree that, in such cases, the arbitrator shall have the authority to determine whether the CSU's decision regarding the application of the law is correct. Either party may seek to vacate an award in accordance with California Code of Civil Procedure Sections 1285, et seq. if the party believes that the arbitrator's award is in violation of the law, provided such petition is filed within one hundred (100) days of receipt of the award.
- 4.3 At the request of either party, negotiations on a replacement provision will commence within sixty (60) days of such request.

- 8.9 The CSU shall modify CSU Careers to send an RSS feed to APC whenever a new Unit 4 vacancy is posted.
- 8.10 The CSU will provide to the Statewide APC job descriptions where there is a material substantive change to the description. A “material and substantive” change to an incumbent employee’s job description is one which adds duties that cannot reasonably be understood to be among those explicitly enumerated in the classification and qualification standards (CQS) for the employee’s current classification or would result in the incumbent employee being reclassified to a position outside of Unit 4.
- 8.11 The CSU will provide to the Statewide APC a list of proposed transfers of work, job functions, and /or positions which will result in a Unit 4 incumbent losing timebase.
- 8.12 The CSU will provide to the Statewide APC a list of proposed transfers of work, job functions, and/or positions exclusively performed by Unit 4 to a non-Unit 4 employee.
- 8.13 Upon request of the APC, employee lists and public information shall be provided to the APC. An employee's home address shall be released to the APC unless the employee has officially informed the CSU that the employee wishes the home address withheld. The cost of such employee lists and public information shall be borne by the APC.
- 8.14 The APC shall, within fourteen (14) days of the execution of this Agreement and thereafter within fourteen (14) days of a change in designation of a steward, advise the President and the Office of the Chancellor in writing of the name of the union steward(s) on each campus.
- 8.15 The CSU shall provide release time of one (1) full day for each scheduled meet and confer session for up to six (6) employees in the bargaining unit. Additional release time shall be provided on an individual basis to meet special needs related to transportation and work schedules.

Up to three (3) APC representatives shall be provided with release time to attend Board of Trustees meetings. Requests to attend such meetings shall be submitted to the Office

of the Chancellor far enough in advance to permit scheduling of APC speakers pursuant to rules and regulations of the Trustees and to arrange the appropriate release time.

8.16 Upon request of the APC made pursuant to A, B or C below, the CSU shall grant a union leave without loss of compensation as follows:

A. Non-Reimbursable Statewide Officer Leave

1. The APC shall submit to the CSU in advance of the first date of leave requested a list of employees who are entitled to leave as APC Statewide Officers pursuant to this provision. Not more than two such Officers at any one campus may be designated. Such a list shall include the employee's name and campus.
2. Leave hereunder shall not exceed an aggregate amount for all Statewide Officers of seven hundred eighty (780) working days per contract year to conduct union business.

 - b. Use of leave under this provision shall only be as designated by APC and may be partial or full time.
 - c. Such leaves must be in six (6) months to twelve (12) months increments.
 - d. The CSU shall make reasonable efforts to backfill the positions of employees on union leave for six (6) to twelve (12) months.
 - e. Notice of any absence must be given to the campus by the employee at least thirty (30) calendar days in advance of the absence. The Leave requests citing the leave provision shall be submitted to the Statewide Officer's campus Human Resources Office with a copy to the Office of the Chancellor.
 - f. Employees on full-time leave will remain on Non-Reimbursable Leave for all work days off during the designated Non-Reimbursable Leave (holidays, vacation, meeting of the Trustees, etc.)

- g. No carry over from one fiscal year to another is permitted.
- h. If a leave is to be ended early and the employee returns to work, APC shall give the campus a minimum of two (2) weeks' notice.
- i. APC must report to the CSU when the statewide or campus maximum is reached.
- j. The CSU reserves the right to refuse union leave requests for bona fide work reasons. If union leave is denied, the campus shall state the reasons for the denial in writing at the Union's request.
- k. An employee on such a leave shall continue to earn service credit and retirement credit.
- l. Vacation, holiday and sick leave credit(s) shall not accrue during such a leave.
- m. The employee on such a leave shall have the right to return to their former position upon expiration of the leave.
- n. Such a leave shall not constitute a break in service for the purpose of salary adjustments, sick leave, vacation, or seniority.

B. Reimbursable Statewide Officer Leave

- 1. Employees eligible for non-reimbursable leave, as identified pursuant to 8.16.A.1, also shall be eligible for reimbursable leave, not to exceed an aggregate amount of five hundred twenty (520) working days per contract year.
 - a. No more than two hundred sixty (260) working days of union leave taken under this provision may be used at any one campus in a contract year.
 - b. Use of leave under this provision shall only be as designated by APC, and may be partial or full time.
 - c. Notice of any absence must be given to the Human Resources Office of the employee's campus, with a copy to the Office of the

Chancellor, by APC at least five (5) working days in advance of the absence.

- d. Notice of any absence of more than one month must be given at least thirty (30) calendar days in advance to the Human Resources Office of the employee's campus with a copy to the Office of the Chancellor.
 - e. Employees on full-time leave for thirty (30) calendar days or more will remain on Reimbursable Leave for all days off during the designated Non-Reimbursable Leave (holidays, vacation, meeting of the Trustees, etc.)
 - f. If a leave is to be ended early and the employee returns to work, APC shall give the campus a minimum of two (2) weeks' notice.
 - g. No carry over from one fiscal year to another is permitted.
 - h. The CSU reserves the right to refuse union leave requests for bona fide work reasons. If Union leave is denied, the campus shall state the reasons for the denial in writing at the Union's request. APC must report to the CSU when the statewide or campus maximum is reached.
 - i. An employee on such a leave shall continue to earn service credit and retirement credit.
 - j. Vacation, holiday and sick leave credit(s) shall not accrue during such a leave.
 - k. The employee on such a leave shall have the right to return to their former position upon expiration of the leave.
 - l. Such a leave shall not constitute a break in service for the purpose of salary adjustments, sick leave, vacation, or seniority.
2. The CSU shall be reimbursed by APC for all compensation (including benefits) paid the employee during such a leave. Reimbursement shall be made by APC no later than thirty (30) calendar days of its receipt of the CSU certification of payment of compensation to the employee. The parties

agree that failure to reimburse the CSU within thirty (30) calendar days may result in the denial of any subsequent requests for leave under this provision until all delinquent payments have been made.

C. Non-Reimbursable Steward Leave

1. APC shall furnish to the CSU per 8.14 an up-to-date list indicating the steward(s) assigned to each campus that will be eligible for union leave hereunder.
2. APC shall be provided a systemwide allotment of two hundred ninety-nine (299) working days per fiscal year for steward(s) to conduct union business provided that all the requirements of provision 8.6 are met. No more than forty-eight (48) days of Steward Leave may be used at any one campus per fiscal year.
3. Notice of any absence must be given to the Office of the Chancellor in writing by APC at least ten (10) or more working days in advance of the absence; any request not received ten (10) working days in advance shall be deemed denied. Requests received at least ten (10) working days in advance of the absence will be considered approved unless the Office of the Chancellor notifies APC within five (5) days of receipt of the request.
4. Any Steward Leave that both parties agree is unused at the end of each contract year shall be added to the following year's two hundred ninety nine (299) day allotment and shall become available for use by APC in accordance with the requirements of this provision. Any Steward Leave used during a contract year in excess of the total amount available that year shall be deducted from the following contract year's two hundred ninety nine (299) day allotment. APC will provide the Office of the Chancellor with a semi-annual report of Steward Leave used under this provision; the report will be provided no later than thirty (30) days following the end of each six-month period. Failure to provide a report will result in the suspension of Steward Leave use until that report is provided.
5. The CSU reserves the right to refuse union leave requests for bona fide work reasons. If a request for union leave is denied, the campus shall give reasons for the denial in writing at the Union's request.

- 8.17 APC may request unpaid leaves of absence for a specified period of time for members of the bargaining unit designated by APC. Such leaves shall be subject to provisions of Article 22, Leaves of Absence Without Pay.
- 8.18 It is the intent of this provision to provide payroll dues deduction for APC members to be deducted from their pay warrants insofar as permitted by law. The CSU agrees to request that the State Controller deduct and transmit to APC all authorized deductions from all APC members within the bargaining unit who have signed and approved authorization cards for such deductions on a form provided by APC, less necessary administrative costs incurred by the State Controller. Such employee authorization may be withdrawn at any time, provided the employee follows APC's procedures for withdrawal.
- 8.19 The amount of dues deducted from APC members' pay warrants shall be set by APC and changed by the CSU upon written request of APC. APC shall give the University thirty (30) days' notice of any changes in deduction amounts.
- 8.20 Employees shall be free to join or not to join APC. APC representatives will be informed of the date and time of any new employee orientation program organized by the campus that includes new Unit 4 employees, and shall be provided with an opportunity to present information about APC to new Unit 4 members at some stage during, or immediately following, the campus program.
- 8.21 APC agrees to indemnify, defend, and hold the CSU/SCO harmless against any claim made of any nature and against any suit instituted against the CSU/SCO arising from its payroll deduction for APC dues and deductions.
- 8.22 An employee shall not suffer reprisals for participation in union activities.

- 9.2 The Union shall not promote, organize, or support any strike or other concerted activity, including sympathy strikes, which would interfere with or adversely affect the operations or mission of the CSU.
- 9.3 The Union shall play a responsible role in preventing any employee from participating in any concerted activity, including sympathy strikes, which would interfere with or adversely affect the operations or mission of the CSU and shall notify employees of such prohibitions.
- 9.4 The CSU agrees that it will not lock out any bargaining unit employee(s).

ARTICLE 10

GRIEVANCE PROCEDURE

Definitions

10.1 Grievance - The term "grievance" as used in this Article refers to a written allegation by a grievant that there has been a violation, misapplication, or misinterpretation of a specific term of this Agreement.

Grievant - The term "grievant" as used in this Article refers to a:

- a. permanent employee;
- b. probationary employee; or
- c. temporary employee employed at least thirty (30) consecutive days immediately prior to the event giving rise to the grievance

who alleges in a grievance that they have been directly wronged by a violation of a specific term of this Agreement.

The term "grievant" as used in this Article may refer to the Union when alleging a grievance on behalf of itself, or on behalf of a unit member or group of unit members. The Union shall not grieve on behalf of unit members who do not wish to pursue individual grievances. Whether filing on behalf of itself, a member, or a group of members, there shall be no financial remedy of any kind or any retroactive remedy in cases where the Union fails to identify by the pre-arbitration conference (10.5.E) the unit member(s) who have been directly wronged by a violation of a specific term of this Agreement.

Appropriate Administrator - The term "appropriate administrator" as used in this Article refers to the immediate non-bargaining unit supervisory or management person to whom the employee is accountable, or who has been designated to respond to the grievance informally or at Level I.

Representative - The term "representative" as used in this Article shall be an employee or APC representative who, at the grievant's request, may be present at the Informal

Level through Level II. Representation of the employee at Level III shall be by the exclusive representative.

Respond and File - The terms "respond" and "file" as used in this Agreement refer to personal delivery or deposit in the U.S. mail, or transmittal by facsimile or electronic mail ("e-mail"). If mail delivery is used, the postmark shall establish the date of response or filing. If personal delivery is used, the calendar date of delivery shall establish the date of response or filing.

If facsimile or e-mail is used to either file or to respond, the facsimile transmittal cover letter or the e-mail must be acknowledged as received by the other party.

Informal Level

- 10.2
- a. An employee shall have the right to present a potential grievance and to have the potential grievance considered in good faith by an appropriate administrator.
 - b. An employee, whenever possible, shall attempt to resolve a potential grievance informally with an appropriate administrator. A resolution of a potential grievance at the informal stage shall not be precedent-setting.
 - c. If the potential grievance is not resolved through informal discussions, the employee may file a formal Level I grievance with the President no later than either twenty-one (21) days after the event giving rise to the grievance, twenty-one (21) days after the employee knew or reasonably should have known of the event giving rise to the grievance, or twenty-one (21) days after the informal meeting to resolve the grievance.

Level I - Presidential Review

- 10.3
- a. The formal grievance shall state clearly and concisely on a grievance form, an example of which appears as Appendix E:
 1. the specific term of the Agreement alleged to have been violated;
 2. a detailed description of the specific grounds of the grievance, including names, dates, places, and times necessary for reasonably understanding;

3. the remedy sought;
 4. the name, classification, address, telephone number, and signature of the grievant;
 5. the name, address, and telephone number of the representative, if any; and
 6. the date of submission at each level.
- b. The President or their designee shall hold a meeting with the grievant and the grievant's representative within twenty-one (21) days after receipt of the Level I filing at a mutually acceptable time and location. At this meeting, pertinent information may be presented, orally or in writing, to the President or their designee who shall respond to the grievant in writing with a copy to the indicated representative, if any, no later than twenty-one (21) days after the Level I meeting.
 - c. In the event the grievance is not settled at Level I, the grievant may file, no later than twenty-one (21) days after the Level I response, a Level II grievance with the Office of the Chancellor. The grievant shall attach a copy of the Level I response together with any documents presented at that level.
 - d. Prior to the Level I response date, the President may waive all procedures at Level I and expedite the grievance to Level II. The President shall notify the grievant of the expedited grievance. Level II time limits shall commence on the date the grievant was so notified.

Level II - Chancellor's Office

- 10.4 a. A designated individual in the Office of the Chancellor shall make every effort to hold a meeting with the grievant and/or a designated representative of the grievant at the Office of the Chancellor within twenty-one (21) days of the Level II filing. The parties may conduct this meeting by telephone conference call in the event they are unable to conduct the meeting in person. If the parties are not available to meet within twenty-one (21) days, this period may be extended by mutual agreement, pursuant to provision 10.12. The designated individual in the Office of the Chancellor shall respond to the grievant in writing, with a copy to the indicated representative, if any, no later than twenty-one (21) days after the Level II meeting, forty-two (42) days after the Level II filing, or twenty-one (21) days after the end of any extension.

- b. No amendments and/or modifications to the grievance shall be made by the grievant after the Level II filing date.
- c. The parties shall present at Level II all issues and evidence related to the grievance. No additional issues and evidence may be presented by the parties after Level II.
- d. In the event the grievance is not settled at Level II, the exclusive representative may, by written notice to the Office of the Chancellor no later than thirty (30) days after the Level II response, file for arbitration of the grievance.

Level III - Arbitration

- 10.5 a. Grievances filed for arbitration following both parties' ratification of this Agreement shall be submitted for hearing to a Permanent Arbitrator. The parties appoint Paul Crost and Michael Prihar to serve as Permanent Arbitrators subject to the provisions in 10.5.B. below. This appointment is subject to its acceptance by the Permanent Arbitrators. Each arbitrator shall be assigned cases on an alternating basis. If one arbitrator is assigned a case for which he is temporarily unavailable, the parties may appoint a temporary arbitrator by mutual agreement to hear the specific case. If no agreement is reached then the other permanent arbitrator shall be assigned to the case and each permanent arbitrator shall thereafter again be assigned cases on an alternating basis.

Grievances filed for arbitration prior to both parties' ratification of this Agreement shall be processed in accordance with the prior Agreement. Grievances under this Agreement shall be normally heard in the order that they were filed for arbitration unless the parties mutually agree otherwise.

- 1. If a witness or advocate for either party will not be available on the date the grievance is scheduled for arbitration, the grievance shall be scheduled on the next date when the Arbitrator, witnesses and advocates are available. In such cases the Parties will work together to try to substitute another case on the date the case was first scheduled.
- 2. If one or both parties must postpone a scheduled arbitration within the penalty period that would require the payment of cancellation fees, the Permanent Arbitrator will be requested to utilize any cancelled, reserved

hearing dates to complete the writing and issuance of pending arbitration awards from previously held hearings. Should there be no pending work for the Arbitrator, cancellation fees shall be borne by the canceling party(ies).

- b. In the event that (1) the appointment is not accepted by either Permanent Arbitrator or (2) or either Permanent Arbitrator becomes unavailable, for any reason, to hear cases for a period of four (4) months or more, the parties shall attempt to agree upon a successor Permanent Arbitrator during the next thirty (30) day period. If no agreement is reached, the parties will use the remaining Permanent Arbitrator. If both Permanent Arbitrators become unavailable as described above the parties shall attempt to agree upon a successor Permanent Arbitrator or Arbitrators during the next thirty (30) day period. If no agreement is reached, the parties will use the procedures of the Voluntary Labor Arbitration Rules of the American Arbitration Association to select arbitrators to hear grievance disputes on a case-by-case basis. Permanent Arbitrators may be replaced at any time upon mutual agreement of the parties.
- c. If an arbitrability question exists, a two-stage hearing will be required. The parties, pursuant to the procedures described herein, shall select an arbitrator to convene a formal hearing and render a written decision relative to the question of arbitrability.
 - 1. If the grievance is found not arbitrable, the grievance shall be deemed null and void.
 - 2. If the grievance is found arbitrable, the arbitrator shall hear the merits of the grievance. This provision shall not prohibit the parties from mutually agreeing to address both the arbitrability and merits of the grievance in one hearing, or from mutually agreeing to select a second arbitrator to hear the merits of the grievance.
 - 3. Nothing contained herein shall prevent the parties from settling the grievance prior to the second arbitration hearing.
 - 4. The arbitrator's decision on arbitrability shall be in writing and shall set forth their findings, reasonings, and conclusions on the issues submitted.
- d. At least twenty-one (21) days prior to the scheduled date of arbitration, there shall be a pre-arbitration conference at which representatives of the parties shall discuss issue statements, documents and evidence to be presented at the hearing.

- e. The Voluntary Labor Arbitration Rules of the American Arbitration Association shall apply at Level III, except when the specific language of this Agreement is in conflict, in which case the specific language of the Agreement shall apply.
- f. It shall be the function of the arbitrator to rule on the specific grievance. The arbitrator shall be subject to the following limitations:
 - 1. The arbitrator's awards shall be based solely upon the evidence and arguments appropriately presented in the hearing and upon any post-hearing briefs.
 - 2. The arbitrator shall have no power to alter, add to, detract from, or amend the provisions of this Agreement. The arbitrator shall be without power to make any recommendation which requires the commission of an act prohibited by law, or which is violative of the specific terms and conditions of this Agreement.
 - 3. The arbitrator shall not consider any issue not raised by the parties at Level II of this Agreement.
 - 4. The arbitrator shall not make an award which will supersede the substance of the President's professional judgment. The arbitrator shall not make awards concerning the amount, or granting or denial of performance pay, nor shall they have authority to order monetary relief in any grievance concerning the performance pay program.
 - 5. The award of the arbitrator may or may not include back pay provided, however, that any back pay award shall not be in excess of twenty-four (24) months salary less the difference of any compensation including unemployment benefits that the employee received. Under no circumstances may interest be included in an award.
 - 6. Except as provided in Article 4, the standard of review for the arbitrator is whether the CSU violated a specific term of the Agreement.
 - 7. The arbitrator's decision on the merits shall be in writing and shall set forth their findings, reasonings, and conclusions on the issues submitted.
 - 8. A final decision or award of the arbitrator shall be made within thirty (30) calendar days of the close of the hearing or submission of post-hearing briefs.

- g. The arbitrator's award shall be final and binding upon both parties.
- h. Each party shall bear the expenses of preparing and presenting its own case. Expenses, wages, and other compensation of any witnesses called before the arbitrator shall be borne by the party calling such witnesses. The cost for the services of the arbitrator shall be borne equally by the parties, except as provided in provision 10.5.A.2.
- i. Upon appointment, the Arbitrator shall have authority to rule on pre- and post-hearing procedural disputes between the parties, including hearing continuances and/or extensions of briefing schedules. Such decisions shall be in writing and made on a case-by-case basis based on the facts of the situation.
- j. Except as provided in this provision 10.5.J, all hearings shall be held on the campus on which the formal Level I grievance arose and was filed. The following types of hearings shall, at the request of either party, be held at a mutually agreeable location in the Los Angeles area: (1) arbitrability hearings that do not involve any campus witnesses (excluding APC stewards and the campus Employee Relations Designee), and (2) arbitrability or merits hearings for a grievance accepted by the Chancellor's Office as a systemwide grievance.

General Provisions

- 10.6 Failure of the grievant to comply with the time limitations of this Article shall render the grievance null and void and bar subsequent filing of the grievance. Failure by the appropriate administrator, President, or designated individual in the Office of the Chancellor to timely respond under this Article shall permit the grievance to be filed at the next level.
- 10.7 Prior to filing a grievance, the potential grievant and representative, if any, shall each be provided with one (1) hour release time for grievance preparation and reasonable time for grievance presentation at the Informal Level.
- 10.8 After the grievance has been filed, a representative and the grievant shall be provided reasonable release time for the purpose of preparation and presentation of the grievance.
- 10.9 A reasonable number of witnesses for a grievant who are CSU employees shall be provided with reasonable release time for presenting testimony at an arbitration

hearing. Within one (1) year of such arbitration hearing, such a witness shall arrange with the appropriate administrator and work an amount of reassigned time equal to the amount of worktime lost due to serving as a witness.

- 10.10 The parties agree that all grievance files and/or the content of grievance meetings shall be confidential. Grievance records shall be kept in a file separate from the grievant's personnel file.
- 10.11 An employee may present grievances and have such grievances adjusted without the intervention of the exclusive representative as long as adjustment is reached prior to arbitration. Such adjustment shall be consistent with the terms of the written Agreement then in effect. Once a request for arbitration has been made, the Employer will not agree to a resolution of a grievance until the exclusive representative has received a copy of the grievance and the proposed resolution and has been given the opportunity to file a response.
- 10.12 Time limits set forth in this Article may be extended by mutual agreement.
- 10.13 In cases where it is necessary for the grievant or their representative to have access to information for the purpose of investigating a grievance, the grievant or their representative shall make a written request for such information to the appropriate administrator. The grievant or their representative shall have access to all information which would assist in pursuing the grievance exclusive of information defined as "confidential" or "personal" pursuant to the Information Practices Act of 1977 or the HEERA.
- 10.14 Except for cases already assigned to an arbitrator, the processing of grievances filed and unresolved prior to the effective date of this Agreement shall proceed under the provisions of the grievance procedure as amended by this Agreement.
- 10.15 By mutual agreement, a grievance may be filed at the step at which the authority to resolve the grievance resides.
- 10.16 A grievant may withdraw a grievance at any time. The grievant shall not file any subsequent grievance on the same alleged incident.
- 10.17 The parties, by mutual agreement, may consolidate grievances on similar issues at any level.
- 10.18 A grievance settled prior to a final arbitration award shall not be precedent-setting.

- 10.19 A decision by the APC to submit a grievance to arbitration shall automatically be a waiver of all other remedies (except as provided otherwise by statute).
- 10.20 No representative or agent of the exclusive representative may solicit complaints or grievances during the employee's worktime.
- 10.21 An employee shall not suffer reprisals for participation in the processing of a grievance filed pursuant to this Article.

ARTICLE 11

PERSONNEL FILE

- 11.1 One (1) official personnel file shall be maintained for each employee in an office designated by the President for that purpose and in a format designated by the President. The term "personnel file" as used in this Agreement shall refer to the one (1) official personnel file used in personnel actions. A log (including, but not limited to, name, date and purpose) shall be maintained to record all access to an employee's personnel file by any non-Human Resources employee or by a Human Resources employee for the purpose of making a personnel decision/recommendation. An employee shall normally be sent a copy of any material to be placed in the personnel file at the time of placement. An employee shall be provided with a copy of material which could lead to an adverse personnel action no later than fourteen (14) days after the placement of such material in their personnel file. Where the file is maintained in an electronic format, the data shall be maintained on a password protected secure system.
- 11.2 An employee shall have the right of access to reports, documents, correspondence, and other material officially maintained in their campus personnel file.
- 11.3 An employee may request an appointment for the purpose of inspecting their personnel file. Such requested appointments shall be scheduled during normal business hours. The manner of inspection shall be subject to reasonable conditions.
- 11.4 An employee may be accompanied by a person of their choice when inspecting their personnel file.
- 11.5 Following receipt of an employee's written request, the campus shall, within a reasonable period of time established by the campus, provide a copy of all requested material. The employee shall bear the cost of duplicating such materials, except as provided for in Article 10, Grievance Procedure, or Article 18, Evaluation, or when such materials have bearing on disciplinary action or corrective action matters.
- 11.6 If, after examination of their records, an employee does not agree with the contents of any material in the file, the employee may submit a written rebuttal. This written rebuttal shall become part of the employee's personnel file.
- 11.7 If, after examination of their records, an employee believes that any portion of the material is not accurate, relevant, or complete, the employee may request, in writing, correction of the record. Within twenty-one (21) days of an employee's request for

correction of the record, the President shall notify the employee in writing of their decision regarding the request. If the President denies the request, the President shall state the reason(s) for denial in writing, and this statement shall be sent to the employee. If the President grants the request for correction of the record, the record shall be corrected. The employee shall be sent a copy of the corrected record and a written statement that the incorrect record in question has been permanently removed from the employee's personnel file.

- 11.8 Final personnel decisions relating to promotion, retention, permanency for permanent or probationary employees shall be based primarily on material contained in the employee's personnel file and open to the employee's inspection. Final personnel decisions relating to disciplinary actions shall be based primarily on material contained in the employee's personnel file and open to the employee's inspection.
- 11.9 If a personnel decision as referenced in provision 11.8 above must be based on information not contained in the employee's personnel file, that information shall be committed to writing and this written statement shall be a part of the employee's personnel file. An employee may request the effective date of any pending personnel action based on such information be extended by the appropriate administrator to allow the employee to utilize procedures outlined in provisions 11.6 and 11.7 of this Article. The appropriate administrator shall respond in writing. Such a request shall not be unreasonably denied.
- 11.10 Materials submitted by an employee during a performance evaluation shall be deemed incorporated by reference in the official personnel file, but need not be physically placed in the file. An index of such materials shall be prepared by the employee and submitted with the materials. Such an index shall be permanently placed in the personnel file. Materials incorporated by reference in this manner shall be considered part of the personnel file for the actions set forth in provision 11.8 of this Article. Upon the completion of a performance evaluation, indexed materials may be returned to the employee.
- 11.11 No one shall have access to pre-employment materials in the personnel file, except when such access is required pursuant to the Information Practices Act of 1977 or when such material may have an effect on a personnel action under consideration.
- 11.12 Attendance and payroll records maintained separately from the personnel file may be reviewed by the employee within a reasonable period of time after the request is made. Such attendance and payroll records shall be excluded from provisions of Article 11, Personnel File.

- 11.13 Upon the employee's request, a reprimand in the personnel file shall be permanently removed three (3) years from its effective date. If a notice of disciplinary action has been served on the employee and such a reprimand is related to the disciplinary action, this provision shall not be implemented.
- 11.14 Employees' personnel files shall be held in confidence and shall be subject to inspection only by persons with official business.
- 11.15 The classification/reclassification of a position to which an employee is assigned shall not be considered a personnel decision as defined in provision 11.8 above.

ARTICLE 12

CORRECTIVE AND DISCIPLINARY ACTION

Corrective and Disciplinary Actions

- 12.1 The University may administer corrective action or disciplinary action to an employee.
- a. Corrective action includes oral warnings and written reprimands.
 - b. Disciplinary action shall be limited to dismissal, demotion, or suspension without pay.

Reprimands

- 12.2 An employee may receive from an appropriate administrator an oral warning and/or written reprimand. Such a warning or reprimand shall be confidential and given within a reasonable time of event(s) giving rise to the warning or reprimand. As used in this Agreement, the term “reprimand” shall refer to any written communication from an appropriate administrator to an employee that criticizes or otherwise comments negatively upon the personal/professional conduct and/or job performance of the employee if that written communication is placed in the official personnel file, but does not include performance evaluations or notices of performance expectations or rules and regulations.
- 12.3 An employee shall be provided with a copy of a written reprimand at least five (5) days prior to the possible placement of such a reprimand in the employee's personnel file.
- 12.4 An employee may request a conference with the administrator who issued the reprimand to discuss the reprimand. Such a request shall not be unreasonably denied. The employee may be represented at such a conference by another employee or an APC representative. An employee may appeal the decision to place a written reprimand in their personnel file to the President within five (5) days after the conference held pursuant to this provision. The President may hold a meeting with the employee and their representative, if any. Within ten (10) days of receipt of the appeal, the President shall provide a written response to the employee.
- 12.5 Any written reprimand shall be placed in the official personnel file of the affected employee and shall be subject to Article 11, Personnel File. The employee shall be

provided with a copy of a written reprimand. Written reprimands referred to in this provision do not include written communications that are not placed in the official Personnel File.

the draft evaluation, provide verbal feedback, and submit a rebuttal (if any) to the evaluator before the evaluation is finalized. An employee may request to discuss their evaluation with the evaluator within 14 days from the receipt of the draft evaluation. An employee may elect to submit any such rebuttal (accompanied by the draft evaluation it rebuts) to their personnel file. Any documents referenced in the draft evaluation which are not part of the employee's official personnel file at the time the draft is submitted to the employee shall be placed in the file at that time.

- d. An employee may submit materials for consideration during the performance evaluation process, including evaluative material from campus and community sources generated by individuals familiar with the employee's work.

- 18.2 A written record of a final performance evaluation shall be placed in the employee's personnel file and subject to the provisions of Article 11, Personnel File. The employee shall be provided with a copy of the written recommendation, if any, made at each level of the review.

- 18.4 A performance evaluation shall not be considered a final personnel decision as referred to in Article 11.
- 18.5 All final decisions regarding permanency shall be made by the President.

- 19.1 Following completion of one (1) qualifying pay period, a full-time employee shall accrue eight (8) hours of credit for sick leave with pay. Thereafter, for each additional qualifying pay period, eight (8) hours of credit for sick leave with pay shall be accrued.
- 19.2 Employees who are appointed less than full time shall accrue credit for sick leave with pay on a pro-rata basis.
- 19.3 Sick leave may be accumulated without limits, and no additional sick leave with pay beyond that accumulated shall be granted, except as provided for in provision 19.24.
- 19.4 An employee shall be responsible for promptly reporting an absence to the appropriate administrator.
- 19.5 An employee shall be responsible for promptly completing and submitting the campus' absence form to the appropriate administrator or their designee by a reasonable date designated by the appropriate administrator.
- 19.6 An employee may be required to provide a physician's statement or other appropriate verification when absent five (5) or more consecutive days due to illness/injury.
- 19.7 When the appropriate administrator has reasonable cause to believe there has been an abuse of sick leave, an employee may be notified that they are required to provide a physician's statement or other appropriate verification for any future absences.
- 19.8 Under no circumstances may an employee be granted sick leave for days during which the employee is laid off, or on a leave of absence without pay, or during periods when the campus or department is closed and the employee is not required to work.
- 19.9 An employee on vacation who becomes ill or injured and submits a physician's statement or other appropriate verification may request their vacation leave for such days be converted and charged to their accumulated sick leave. Such requests shall not be granted during any period after notice of pending separation.

Absences Chargeable to Sick Leave

- 19.10 The use of sick leave may be authorized by the President only when an employee is absent because of:
- a. illness or injury;
 - b. exposure to contagious disease;
 - c. dental, eye, or other physical or medical examinations or treatments by licensed practitioners;
 - d. illness or injury in the immediate family;
 - e. death of a person in the immediate family; and/or
 - f. childbirth or disability related to pregnancy.
- 19.11 "Immediate family" as used in this Article shall mean:
- The employee's spouse or registered domestic partner;
 - The employee, spouse or registered domestic partner's: parent, step-parent, grandparent, great-grandparent, sibling, child or grandchild (including foster, adopted and step), parent's siblings;
 - The employee's child-in-law;
 - A person living in the immediate household of the employee, except domestic employees, roomers, boarders, and/or roommates.
- 19.12 Sick leave for family care is primarily for emergency situations. Up to five (5) days of accrued sick leave credit may be used for family care during any one (1) calendar year. The appropriate administrator may authorize the use of additional sick leave for family care.
- 19.13 The President may authorize up to forty (40) hours of accrued sick leave for bereavement pursuant to provision 19.10.E. When one (1) or more deaths occur in a calendar year, up to forty (40) hours of accrued sick leave credit may be authorized for each death.

- 19.14 Any disability caused by, or contributed to by, pregnancy is a justification for the use of sick leave and should be handled in the same way as illness or injury. A female employee in work status is entitled to use sick leave for childbirth and any period immediately preceding or immediately following the birth of the child provided the employee presents a physician's verification that she is medically unable to work.
- 19.15 A female employee on a maternity leave pursuant to Article 22, Leaves of Absence Without Pay, of this Agreement shall be entitled upon return to work status to use earned sick leave for the period of time she was disabled immediately prior to and immediately following childbirth. Earned sick leave shall only be charged for workdays in such a period of time. A physician's verification that the employee was medically unable to work is required for the use of this sick leave.
- 19.16 Upon request by an employee, the President may authorize the use of unpaid sick leave or the use of vacation for an employee who has exhausted their accumulated sick leave.
- 19.17 An employee may be required to undergo a medical examination as directed by the President if the President questions the employee's ability to perform their required duties. When such an examination is by a physician selected by the Employer, the CSU shall bear the cost of such medical examination. Time required to travel to and from the physician's office and time spent at the physician's office shall be considered time worked.
- 19.18 In the event an employee disagrees with the medical findings of the CSU-selected physician, the employee shall have the right to examination by a physician of their choice. The employee shall be required to bear the cost of such examination. The President shall consider the medical report from the employee's physician.
- 19.19 When an employee has restricted ability to carry out their duties due to illness as indicated by medical evidence, or when an appropriate administrator observes an employee unable to perform their duties, the President may direct an employee to take sick leave.

Supplement to Industrial Disability Leave

- 19.20 Upon written notification to the CSU by an eligible employee, they may elect to supplement Industrial Disability Leave (IDL) payments with charges to their accrued sick leave. Such an election shall be made no later than fifteen (15) days after the report of the injury for which IDL is being paid.
- 19.21 Such supplement shall continue until the employee has exhausted their accrued sick leave or until the employee provides to the CSU written notification they wish to discontinue the supplement. Such a notice shall be provided fifteen (15) days prior to the effective date of such a discontinuation.
- 19.22 Such a supplement to IDL payments shall not result in the employee receiving a payment in excess of their regular salary or wage.
- 19.23 All payments received by an employee while on IDL shall be subject to mandatory and authorized voluntary deductions.

Catastrophic Leave Donation Program

- 19.24 Any CSU employee who accrues vacation or sick leave credits may voluntarily donate either of those credits to any other CSU employee on the same campus if the recipient employee has exhausted all accrued leave credits, i.e., sick leave, vacation, and CTO due to a catastrophic illness or injury, or whose principal place of residence has been impacted by a natural disaster/state of emergency. Catastrophic illness or injury is an illness or injury that has totally incapacitated the employee from work.

The following provisions shall apply:

- (1) Catastrophic Illness or Injury
- a. An employee, their representative or the employee's family member must request the employee's participation and provide appropriate verification of illness or injury as determined by the campus President. The President shall then determine the employee's eligibility to receive donations based upon the definition provided above.
 - b. An incapacitated employee may elect to defer a request to participate during a period of Industrial Disability Leave eligibility.

- c. Employees may donate a maximum of forty (40) hours of leave credits per fiscal year in increments of one hour or more. Donations are irrevocable.
- d. Donated leave credits may be used to supplement only Industrial Disability Leave, Non-Industrial Disability Leave or Temporary Disability payments from the Third Party Administrator upon the application for the appropriate disability benefit by an eligible employee. The total amount of leave credits donated and used may not exceed an amount sufficient to ensure the continuance of the employee's regular monthly rate of compensation.
- e. The total donated leave credits shall normally not exceed an amount necessary to continue the employee for three (3) calendar months calculated from the first day of catastrophic leave within a twelve (12) month period. The President may approve an additional three-month period in exceptional cases. The leave should not be deemed donated until actually transferred by the campus record keeper to the record of the employee receiving leave credits.
- f. For employees whose appointments have not been renewed, donated time may not be used beyond the employee's appointment expiration date in effect at the beginning of the disability.
- g. Only vacation and sick leave credits may be donated.
- h. Donated leave credits may not be used to receive service credit following a service or disability retirement.
- i. Any CSU union may solicit leave donations from bargaining unit employees for direct transfer to employees eligible to receive such leave credits.
- j. Catastrophic illness or injury may also include an incapacitated member of the employee's immediate family if this results in the employee being required to take time off for an extended period of time in order to care for the family member and the employee has exhausted both all of their accrued vacation credits and all of their accrued sick leave credits which may be used for family care in accordance with the appropriate collective bargaining agreement. Only donated vacation credits may be used for such family care catastrophic leave. Immediate family member shall be defined in accordance with the definition contained in the sick leave provisions of the collective bargaining agreement covering the recipient employee.

- k. The provisions of this program shall be subject to the grievance procedure contained in the collective bargaining agreement covering the grieving employee.
 - l. Pledged leave credits will be formally transferred to the recipient employee only at the end of a pay period, and then in chronological order of the dates actually pledged. This will insure that any unused leave credits are never actually transferred until they can in fact be used by the recipient employee. In the event that an employee is unable to use all pledged credits in a pay period, the most recently donated leave credits which cannot be utilized will then never formally be transferred, thereby guaranteeing that they are in no way lost by an employee who wants to donate them in order to help a co-worker who needs the credits.
- (2) Natural Disaster and State of Emergency:
- a. Catastrophic leave for a natural disaster shall be leave for an employee who faces financial hardship because the employee has exhausted all of all of their accrued vacation credits; accrued sick leave credits; personal holiday credits; and C.T.O. credits; and is unable to work due to the effect of a natural disaster on the employee's principal residence.
 - b. The employee resides in one of the counties where a state of emergency exists as declared by the governor.
 - c. An employee or their representative must request the employee's participation and provide appropriate verification as determined by the campus President. The President shall then determine the employee's eligibility to receive donations based upon the definitions provided above.
 - d. Employees may donate a maximum of forty (40) hours of leave credits per fiscal year in increments of one hour or more. Donations are irrevocable.
 - e. The total amount of leave credits donated and used may not exceed an amount sufficient to ensure the continuance of the employee's regular monthly rate of compensation.
 - f. The total donated leave credits shall normally not exceed an amount necessary to continue the employee for three (3) calendar months calculated from the first day of catastrophic leave. The President may approve an additional three-month period in exceptional cases. The leave should not be deemed donated until actually transferred by the campus record keeper to the record of the employee receiving leave credits.

- g. For employees whose appointments have not been renewed, donated time may not be used beyond the employee's appointment expiration date in effect at the beginning of the natural disaster/state of emergency.
- h. Only vacation and sick leave credits may be donated.
- i. Donated leave credits may not be used to receive service credit following a service or disability retirement.
- j. Any CSU union may solicit leave donations from bargaining unit employees for direct transfer to employees eligible to receive such leave credits.
- k. Pledged leave credits will be formally transferred to the recipient employee only at the end of a pay period, and then in chronological order of the dates actually pledged. This will ensure that any unused leave credits are never actually transferred until they can in fact be used by the recipient employee. In the event that an employee is unable to use all pledged credits in a pay period, the most recently donated leave credits which cannot be utilized will then never formally be transferred, thereby guaranteeing that they are in no way lost by an employee who wants to donate them in order to help a co- worker who needs the credits.

The employee may elect to use vacation or compensatory time off (CTO) to cover the time off.
- 20.2 An hourly employee shall be eligible for time off with pay for jury duty only for those hours they were scheduled to work.
- 20.3 An employee who is called for jury duty shall promptly notify the appropriate administrator and shall make efforts to arrange jury duty at a time least disruptive to their work schedule.

- 20.6 Employees serving as court-subpoenaed witnesses or expert witnesses in the interest of the CSU shall seek the payment of witness fees. Whenever possible, employees shall confer with the attorney requesting their appearance to determine whether certified copies of appropriate documents would be suitable and would eliminate the need for a court appearance.

- 20.7 An employee who is absent as a court-subpoenaed witness or expert witness in the interest of the CSU shall be paid the normal salary for the corresponding period of absence. All court fees (except personal travel and/or subsistence payments) shall be remitted to the CSU. If the employee does not remit such fees, an amount equal to the fees shall be deducted from the employee's salary. No vacation or CTO shall be used in such cases.
- 20.8 An employee who is party to a suit or who is an expert witness not serving in the interest of the CSU shall appear on their own time and may seek the payment of witness fees. The employee shall be charged vacation or CTO, and if no vacation or CTO is available, the employee shall be docked for the period of absence.

Bereavement Leave

- 20.9 For each death of a significantly close person, upon request to the President, the employee shall be granted five (5) days leave with pay.
- 20.10 A leave granted in accordance with provision 20.9 above may be supplemented in accordance with the bereavement provision in Article 19, Sick Leave, if requested by the employee.
- 20.11 The term "significantly close person" as used in this Article shall mean:

- 20.14 An employee who would otherwise be unable to vote outside of their regular working hours may be granted up to two (2) hours of worktime without loss of pay to vote at a general, direct primary, or presidential primary election. An employee shall be required to request such leave time from the appropriate administrator at least two (2) working days prior to the election.

Parental Leave

- 20.15 An employee shall be entitled to up to thirty (30) workdays “parental leave” with pay, which shall commence within sixty (60) days after the arrival of each new child(ren). The maximum benefit of thirty (30) workdays with pay within any twelve (12) month period shall be provided in connection with the arrival of a new child(ren) and the placement of one (1) or more foster children with the employee or the employee’s spouse or registered domestic partner.

Parental leave shall be taken consecutively and in full-day increments unless mutually-agreed otherwise by the employee and the appropriate administrator. Such leave runs concurrently with any other related leaves for which the employee is eligible.

An exception to the requirement for the child(ren) to be in the employee’s home shall be made when the employee provides documentation that the child(ren) is in the hospital or the child(ren) is with the spouse or registered domestic partner in another location and the employee is going to that location to care for the child(ren).

Organ Donor and Bone Marrow Leave

- 20.16 Upon presentation of written verification that they are organ or bone marrow donors and there is a medical necessity for the donation, employees who have exhausted all available sick leave are eligible for the following leaves of absence with pay:
- a. A paid leave of absence not exceeding thirty (30) consecutive calendar days in any one-year period to any employee who is donating their organ to another person.
 - b. A paid leave of absence not exceeding five (5) consecutive calendar days in any one year period to any employee who is donating their bone marrow to another person.

The Non-Discrimination Policy is formerly known as Executive Order 1096.
- 21.2 An employee, who alleges discrimination, harassment, retaliation or sexual misconduct in violation of the CSU systemwide policy, shall file their complaint under the procedure described in the Non-Discrimination Policy or its successors, if applicable. An employee may, at any time, file a complaint regarding the same incident with the Equal Employment Opportunity Commission and/or the Department of Fair Employment and Housing.

³ References to “successor” or “superseding” Executive orders and/or Technical Letters in this article shall not be taken as a waiver of APC’s right to request to meet and confer over proposed changes to matters within the scope of representation, and/or on proposed changes that have reasonably foreseeable impacts on matters within the scope of representation.

ARTICLE 22

LEAVES OF ABSENCE WITHOUT PAY

22.1 A full-time employee or a less than full-time permanent employee may be granted a full or partial leave of absence without pay. Leaves of absence without pay shall normally be limited to one (1) year.

22.2 Leaves of absence without pay may be granted in accordance with this Article for the following purposes or reasons:

- a. loan of an employee to another governmental agency;
- b. outside employment that would lessen the impact of a potential layoff or a layoff;
- c. temporary incapacity due to illness or injury;
- d. Parental leave;
- e. Military leave;
- f. Pregnancy Disability leave;
- g. to care for a “significantly close person” as defined in provision 20.11 with a serious health condition; and/or
- h. other satisfactory reasons.

Leaves of absence without pay granted for C., D., E. and F. above shall also be subject to Article 19, Sick Leave. Leaves under G. above to care for a “significantly close person” other than a child, parent, registered domestic partner, or spouse of the employee shall not be considered a family care and medical leave.

22.3 A written application for a leave of absence without pay or an extension of a leave of absence without pay shall be submitted to the President. The President shall determine if such a leave shall be granted and the conditions of such a leave. The applicant shall receive a written response regarding granting or denial of the leave within thirty (30) days.

22.4 Family and medical leave (“FML”) shall refer to a leave for reason of the birth of a child of the employee, the placement of a child with an employee in connection with the adoption or foster care of the child by the employee, or to care for a child, parent, registered domestic partner, spouse, sibling, grandparent or grandchild of the employee

who has a serious health condition, or for the employee's own serious health condition. Family care leave shall be pursuant to this Article.

- 22.5 Parental leave shall refer to a leave for the purpose of a parent preparing for the arrival of a new infant and the care of a new infant.

A permanent employee is entitled to a parental leave without pay of up to twelve (12) months upon their written request, subject to the conditions of provision 22.12 of this Article. This leave shall satisfy the family care leave requirements of permanent employees for reason of the birth of a child of the employee, the placement of an infant child with an employee in connection with the adoption or foster care of the child by the employee, or to care for an infant child who has a serious health condition. At least thirty (30) days prior to the ending date of the leave, the employee shall inform the appropriate administrator in writing of their intention to return from leave. Changes in the terms of the leave may be made by mutual agreement of the appropriate administrator and the employee.

- 22.6 The amount of parental leave that may otherwise be granted under Article 22 may be reduced by the amount of FML granted to an eligible employee for reasons set forth in this Article.

Family Care or Medical Leave

- 22.7 The family and medical leave provisions in this Article incorporate both the Federal Family and Medical Leave Act (FMLA) and the California Family Rights Act (CFRA) and will be denoted by FML. An employee who has at least one (1) academic year or twelve (12) months of service is entitled to FML.
- 22.8 Eligible employees may take up to twelve (12) weeks of FML for an FML qualifying event within a twelve (12) month period.
- 22.9 An FML-qualifying event is the birth of a child of the employee; the placement of a child with an employee in connection with the adoption or foster care of the child by the employee; to care for a child, parent, spouse, registered domestic partner, sibling, grandparent or grandchild of the employee who has a serious health condition; or for the employee's own serious health condition.
- 22.10 When the appropriate administrator becomes aware that an employee has taken or intends to take time off for an FML-qualifying event as defined in Article 22.9, the

employee may be asked to provide documentation from a medical professional asserting that there is an FML-qualifying reason. FML-qualifying leaves may be designated as FML.

- 22.11 For family care or medical leave taken for reason of the birth of a child or adoption/foster care of a child by an employee, any leave taken shall be initiated within one (1) year of the birth of a child or placement of a child with the employee in the case of adoption/foster care.
- 22.12 Before granting a family leave for the serious health condition of a child, parent, registered domestic partner, spouse, sibling, grandparent or grandchild the President may require certification of the serious health condition from the health care provider.
- 22.13 Upon expiration of the period which the health care provider originally estimated that the employee needed to care for the child, parent, registered domestic partner, spouse, sibling, grandparent, or grandchild the President may require the employee to obtain re-certification if additional leave is requested.
- 22.14 FML is unpaid leave; however, employees shall utilize appropriate leave credits prior to being placed on any unpaid portion of FML.
- 22.15 If an employee asks to use vacation or other paid time off without reference to an FML-qualifying purpose, the CSU may not ask the employee if the leave is for an FML-qualifying purpose.
- 22.16 If the employer denies the employee's request to use vacation or other paid time off and the employee then provides information that the requested time off is or may be for an FML-qualifying purpose, the employer may inquire further into the reasons for the absence. If the absence is FML-qualifying, employees shall utilize appropriate leave credits in accordance with this Article.
- 22.17 When FML is granted for an eligible employee's own serious health condition, an employee shall use applicable leave credits, including sick leave, vacation, compensatory time off (CTO) and Personal Holiday before going on any unpaid portion of FML. However, if the leave is due to the employee's own serious health condition and also qualifies as an Industrial Disability Leave (IDL) Temporary Disability, or Non-Industrial Disability Leave (NDI), the appropriate guidelines shall apply.

- 22.18 When FML is taken by an employee to care for an eligible family member, employees must utilize all accrued vacation, personal holiday, compensating compensatory time off (CTO) that they are eligible to take prior to utilizing any unpaid period of FML.
- 22.19 An employee may use sick leave for the care of the immediate family as defined in provision 19.11 during the period of family leave upon mutual agreement between the employee and appropriate administrator, and the use of such sick leave during the period of family leave shall not be limited to forty (40) hours as required in provision 19.12 of this Agreement. The use of sick leave shall be in accordance with the appropriate provisions of Article 19 of this Agreement.
- 22.20 Family and medical leave are separate and distinct from the right of a female employee to take a pregnancy disability leave under Government Code Section 12945, subdivision (b) (2). If a female employee takes part or all of the maximum four (4) months of pregnancy disability leave, she may request up to twelve (12) weeks additional family care or medical leave for reason of the birth of her child, or due to her own serious medical condition. Any combination of family care or medical leave and pregnancy disability leave shall run concurrently with the period of parental leave available to a permanent employee pursuant to provision 22.5 of this Article.
- 22.21 An employee shall provide the President with reasonable written notice of the need for family leave as soon as the event necessitating the leave becomes known to the employee. In general, as much advance notice as possible will be provided. In cases of emergency, when no advance notice is possible, written notice of the need for leave shall be provided within five (5) working days of learning of the need for the leave.
- 22.22 If the employee's need for family leave is foreseeable due to the planned medical treatment or planned supervision of a child, parent, registered domestic partner, or spouse with a serious health condition, the employee shall provide the President with not less than fourteen (14) days' notice of the need for the leave. The employee shall consult with the appropriate administrator regarding the scheduling of the treatment or supervision so as to minimize disruption of the operations of the University.
- 22.23 The granting of a family care or medical leave assures to the employee a right to return to their former position or a comparable position upon expiration of the family leave. If the former position and any comparable position have ceased to exist due to legitimate business reasons unrelated to the leave, the University shall make reasonable accommodation by alternative means only if such alternative means would not cause an undue hardship on the campus. Such alternative means shall include, but not be limited to, offering the employee any other position which is available and for which

the employee is qualified. The University is not required, however, to create additional employment which would otherwise not be created, discharge or lay off another employee, transfer another employee, or promote another employee who is not qualified to perform the job. The family care or medical leave shall not constitute a break in service for the purposes of length of service and/or seniority under this Agreement.

- 22.24 An employee on family care or medical leave shall retain employee status and shall continue to accrue seniority points pursuant to Article 33 of the Agreement during the period of the family care or medical leave. During a family care or medical leave an employee may continue to participate in benefits to the same extent and under the same conditions as would apply to any other personal leave of absence without pay pursuant to this Agreement. However, if any paid portion of the family care or medical leave is less than twelve (12) weeks, upon request of the employee to continue coverage, the CSU shall continue to make Employer contributions toward health, dental and vision coverage for the unpaid remainder of the twelve (12) week period. If an employee fails to return at the end of the family care or medical leave, the CSU may require repayment of insurance premiums paid during the unpaid portion of the leave. The CSU shall not require repayment of premiums if the employee's failure to return is due to their serious health condition or due to circumstances beyond the employee's control.
- 22.25 The leave of absence of a temporary employee eligible for such leave pursuant to this Article shall terminate upon the expiration of that employee's temporary appointment.
- 22.26 Upon the expiration of an authorized leave of absence without pay, an employee has the right to return to their former position or an equivalent position within their classification and the time lost shall not constitute a break in service.
- 22.27 An employee who is on a leave of absence without pay shall not return to active pay status prior to the expiration of such a leave without written approval of the President.
- 22.28 Service credit shall not be granted to an employee on a leave of absence without pay, except when the leave is granted pursuant to provision 8.17, Article 8, Union Rights, or when the President determines that the purpose of the leave is of benefit to the campus and expressly grants such service credit.
- 22.29 When requested by the President, an employee granted a leave of absence without pay shall provide verification that the conditions of the leave were met.

- 22.30 An employee on a leave of absence without pay for more than fifteen (15) working days may opt to continue their benefits at their own expense. An employee on a leave of absence without pay for fifteen (15) working days or less shall receive benefits only if the employee earns a sufficient amount to cover their share of any benefit costs.

Military Leave

- 22.31 An eligible employee who is the spouse, registered domestic partner, child, parent or “next of kin” of an injured, covered service member is eligible for Service Member Care Leave pursuant to the Fiscal Year 2010 National Defense Authorization Act and related laws. Employees eligible for Service Member Care Leave are eligible for a total of twenty-six (26) work weeks of leave without pay, which includes Service Member Care Leave and the twelve (12) weeks of leave available for any other FML-qualifying event within a twelve (12) month period.
- 22.32 An eligible employee with family members in the regular Armed Forces, National Guard or Reserves is entitled to Military Exigency Leave pursuant to the Fiscal Year 2012 National Defense Authorization Act and related laws. Military Exigency Leave is FML for the purpose of addressing issues which may arise from a covered military member’s deployments or call to active duty to a foreign country. The length of time off from work varies under Military Exigency Leave based on type of leave taken and shall be deducted from the twelve (12) week FML entitlement.

ARTICLE 23

- 23.3 All employees in the bargaining unit shall receive a General Salary Increase (GSI) as follows:

- a. For fiscal year 2022/2023, effective July 1, 2022, all bargaining unit employees in active pay status (or on leave) as of that date shall receive a General Salary Increase (GSI) three percent (3%).

Employees will be eligible for an additional one percent (1%) for a total of four percent (4%), depending on the State budget allocation to the CSU.

A calculation will be conducted based on the State of California's final Budget Act of 2022, which has an expected enactment date between June 27, 2022, and September 30, 2022. This calculation will determine the new, unallocated, ongoing funding for the CSU from the State.

If the new, unallocated, ongoing funding from the State for fiscal year 2022/2023 is increased to \$300,000,000 or more, then a one percent (1%) GSI will be added to the three percent (3%) increase set forth above for a total of a four percent (4%) increase effective July 1, 2022.

- b. For fiscal year 2023/2024, effective July 1, 2023 all bargaining unit employees in active pay status (or on leave) at the time of processing shall receive a GSI of five percent (5%).

If the CSU agrees to provide another CSU bargaining unit with a General Salary Increase in excess of 5% for fiscal year 2023/24, then the Union may request to re-open negotiations on Provision 23.3b for fiscal year 2023/24. The request must be made within 60 days of final ratification of such an agreement. A General Salary Increase is understood to be an across-the-board percentage

increase, in the same amount, for all employees in that bargaining unit. In the event the Parties are unable to reach agreement each Party retains their contractual and statutory rights (e.g., the ability to proceed to impasse procedures).

Salary scale maximums and minimums for all classifications shall be increased by the amount of the General Salary Increases. These changes will be effective as of the date of the General Salary Increase in each fiscal year of this Agreement.

Bonus/Stipend Programs

- 23.4 a. Bonus/stipend programs shall be established as provided below. Such programs shall consist of one-time lump-sum payments to employees which are not re-occurring base salary increases. The funding for the Bonus/Stipend Programs was established from monies set aside (\$1,112,709, inclusive of benefits) pursuant to the parties' 2000-2003 Agreement.

Upon the expiration of this Agreement, the bonus programs provided in this Agreement shall continue in effect utilizing the available funds as specifically provided in this Agreement, unless modified in accordance with HEERA. However, CSU shall not be required to provide additional funds for the bonus programs during the term of this contract or in future contracts unless such additional funds are provided in a successor collective bargaining agreement. The parties agree to maintain the bonus/stipend programs in 23.4 of the Agreement until June 30, 2024.

The parties agree that for Fiscal Years 2022/23 and 2023/24, the Merit Bonus pool created in Fiscal years 2005/06 and Fiscal Year 2006/07 (\$762,300) will be added to the monies available for the Budget Shortfall Mitigation (BSM) Bonus.

- b. Long-Term Service (LTS) Bonus Program

A lump-sum bonus shall be paid to all eligible employees who, during any of the fiscal years 2003/04 through the expiration of this Agreement complete a 5-year anniversary of continuous campus employment beginning at the employee's 10th year (employee's 10th, 15th, 20th, 25th, 30th, 35th, 40th, etc. years of qualified monthly service on the campus).

To be eligible, the employee must not have received disciplinary action as defined by Article 12.1 (B) during the five (5) year period immediately preceding the

employee's appropriate 5-year anniversary (10th, 15th, 20th, 25th, 30th, 35th, 40th, etc.). Years in which an employee is under formal investigation for or has a disciplinary action under Article 12.1 (B) pending resolution, will not count toward or against the five (5) year eligibility period. For eligible employees paid on a 12-month basis, the bonus amount shall be equal to five percent (5%) of the employee's monthly salary rate as of the employee's 5-year anniversary date, multiplied by twelve (12). Eligible employees on other pay plans shall receive an appropriate pro-rata amount. Each employee's bonus amount shall be expressed as a percentage of the employee's previous calendar year's earnings (including overtime, if any).

For employees with a time base, qualified monthly service is defined as a month in which the employee is in pay status for eleven (11) or more workdays, regardless of the number of hours of work each day. For intermittent employees, any month in which an employee works at least forty-two (42) hours will count as a month of qualifying service.

A year of qualifying service means twelve (12) consecutive pay periods and ten months of qualifying service for a 10-month or 10/12 employee; twelve (12) consecutive pay periods and eleven (11) months of qualifying service for an 11/12 employee; twelve (12) consecutive pay periods and twelve (12) months of qualifying service for a 12-month employee; and completion of one (1) full academic year of qualifying service for an academic year employee.

The Long-Term Service Bonuses for each fiscal year shall be paid no later than September 1 following the end of the fiscal year.

Decisions regarding the granting or denial of a Long-Term Service Bonus shall not be subject to Article 10, Grievance Procedure. However, APC may grieve an alleged violation of a specific term of this provision 23.4, subject to provision 10.5.F.4.

c. Educational Achievement Stipend (EAS) Program

The Educational Achievement Stipend Program established in the parties' 2000-2003 Agreement shall be continued for employees who receive a master's and/or doctoral degree during the term of this Agreement. The amount of each stipend for a master's degree shall be \$2,272.37, and the amount of each stipend for a doctoral degree shall be \$2,840.46. Educational Achievement Stipends shall be paid out of available bonus/stipend funds as specified in provision 23.4.A above,

provided sufficient funds are available from the pool of \$1,112,709. If sufficient funds are not available, the parties will meet to discuss whether to reduce the amount of the stipends or to delay some or all of the payments until the next year in which sufficient funds are available.

The Educational Achievement Stipends for each fiscal year shall be paid no later than September 1 following the end of the fiscal year for those employees who are on the payroll on August 1 following the end of the fiscal year.

d. Budget Shortfall Mitigation (BSM) Bonus Program

In each fiscal year of this Agreement, all active or on-leave bargaining unit employees with a time base as of May 1 of the applicable fiscal year shall receive a Budget Shortfall Mitigation Bonus. The amount of the BSM Bonus shall be the same amount for each full-time employee and a pro-rated amount, based on time base, for each part-time employee.

The amount of each year's bonus will be determined by dividing the remaining bonus/stipend funds by the number of eligible full-time equivalent bargaining unit employees. The remaining funds are the funds in the pool of \$1,112,709, inclusive of benefits (established pursuant to the parties' 2000-2003 Agreement) less the funds paid for that fiscal year's Long-Term Service Bonuses and Educational Achievement Stipends.

Should the BSM Bonus be less than \$100.00 per full-time equivalent bargaining unit employee, the bonus will not be paid and the pool available for the BSM Bonus will be rolled over to the next fiscal year's funds available for BSM Bonuses.

BSM Bonuses will be paid no later than November 1 immediately following each fiscal year.

Merit Bonus Program

- 23.5 a. The Merit Bonus Program funds shall be dedicated to providing one-time, lump-sum bonuses awarded in recognition of above average performance on a project, recognition of one-time or special project performance, for members of a team in recognition of their performance as a team based on criteria established by

the campus, above average performance in general, or other significant contributions to the campus and/or CSU community.

- b. The Merit Bonus Program award shall be expressed as a percentage of gross pay for the period of time of performance for which the bonus is awarded.
- c. The decision of the President, the President's designee, or other appropriate administrator as to who is to receive a Merit Bonus Program award and/or the amount of an award shall not be subject to Article 10, Grievance Procedure. However, APC may grieve an alleged violation of a specific term of this provision 23.5 subject to provision 10.5.F.4.
- d. All funds in the Merit Bonus Program pool shall be awarded prior to the end of the fiscal year in which the funds are available.
- e. For Fiscal Years 2022/2023 and 2023/ 2024 there will be no merit bonuses from the Merit Bonus Program pool. The monies in the pool will be combined with monies available for the Budget Shortfall Mitigation Bonus and awarded as a Budget Shortfall Mitigation Bonus.
- f. In addition to the Merit Bonus Program pool established for General Fund employees, a similar pool shall be established for all non-General Fund employees on each campus. The amount of the Merit Bonus Program pool for non-General Fund employees shall be the same percentage amount of their salaries and related benefit costs as is the case for General Fund employees. An individual campus may augment its General Fund Employee Merit Bonus Program pool above the amount specified in the Agreement, and the non-General Fund Merit Bonus pool may exceed the amount provided for herein.

Salary Stipends

23.6 An employee may receive a monthly salary stipend for additional work assigned by an Appropriate Administrator. These additional work assignments are to be made in writing and must have a specific beginning and ending date.

Nothing in Article 23.6 will supersede any other provision of the Collective Bargaining Agreement (e.g., Article 28 – Hours of Work).

The Appropriate Administrator's decision regarding the stipend shall be final, and shall not be subject to the Grievance Procedure.

Salary Adjustments Due to Reclassification

- 23.7 When an employee is reclassified to a classification with a lower salary range within the same series, the appropriate rate in the salary range shall be determined by considering any previous related service in a higher or lower class. Notwithstanding the above, in no case shall the new salary exceed the rate previously received in the higher class.
- 23.8 When an employee is reclassified to a classification with a lower salary range in another series, the appropriate rate in the salary range shall be determined by the appropriate administrator. Notwithstanding the above, in no case shall the new salary exceed the rate previously received in the higher class. Determination of the appropriate rate in such cases shall be made by applying the criteria that would normally be used for making an initial appointment to that class.
- 23.9 When an employee is reclassified to a classification with a higher salary range, the appropriate rate in the salary range shall be determined by the appropriate administrator. The rate in the higher salary range shall be an increase of at least five percent (5.0%).

- a. A recruitment bonus may be offered to a candidate as an inducement to commit to employment with the CSU. If the candidate does not complete the probationary period, the bonus must be returned to the CSU.
 - b. A retention bonus may be awarded to an employee for staying with the CSU and who is in a position in a classification that is critical to the ongoing operations of the CSU, is in short supply in the labor market, and is a difficult to recruit for classification. - c. A critical skills bonus may be awarded to an employee who possesses and uses skills that are necessary and critical to the ongoing operations of the CSU. The employee must be actively using the skills in order to receive the bonus.
- d. Provision 23.10 shall not be subject to Article 10, Grievance Procedure. The decision of the President to award or not award a bonus under this provision, or regarding the amount of such a bonus, shall be final and non-grievable. However, APC may grieve an alleged violation of a specific term of this provision 23.10, subject to provision 10.5.F.4.
- e. The bonuses in this provision 23.10 shall be campus funded.

23.11 For non-exempt employees, all bonus and stipend awards provided by this Agreement are based on a percentage of the employee's annual gross salary, including overtime.

In-Range Progression - Campus Funded

23.12 An increase in an employee's pay rate within a salary range of a classification due to increased responsibilities and skills of the employee, in recognition of extraordinary performance, or for market or pay equity reasons, is referred to as in-range progression.

A request for an in-range progression review may be submitted by the employee or manager. Employee initiated in-range progression requests shall be submitted to Human Resources. An employee shall not submit a request for an in-range progression prior to twelve (12) months following submission of any prior in-range progression request by the employee. Review of an in-range progression request shall be completed within ninety (90) days.

When an in-range progression occurs, the appropriate salary increase shall be determined by the President. Such increases shall be campus funded. This provision 23.12 shall not be subject to Article 10, Grievance Procedure. The decision of the President to award or not award an in-range increase under this provision, or regarding the amount of such increase, shall be final and non-grievable. If said CalPERS regulations are revised, Circular Letter 200-189-04 regulations as amended will control

SERVICE REQUIREMENTS	DAYS	HOURS (Hourly Equivalent of Days)
1 Month to 3 Years	5/6	6-2/3
37 Months to 6 Years	1-1/4	10

26.3 Any full-time employee who, on October 1, 1984, was accruing sixteen (16) hours or two (2) days of paid vacation for each qualifying month of service, and who was subsequently moved into the SSP Series as a result of implementation of that series, shall continue to accrue vacation at that rate for the life of this Agreement, provided the employee remains in the SSP series. Vacation accrual shall be earned on a pro-rata basis by such an employee who works less than full time.

26.4 Academic year employees are not eligible for paid vacation.

26.5 For purposes of computing vacation accrual, an employee who works eleven (11) or more days in a monthly pay period is considered to have completed a month, a month of service, or continuous service. When an absence without pay of more than eleven (11) consecutive working days falls into two (2) consecutive qualifying monthly pay periods, one (1) of the pay periods is disqualified.

- 26.6 An authorized leave of absence without pay shall not be considered service for the purposes of vacation accrual.
- 26.7 Vacation credits are cumulative to a maximum of three hundred and twenty (320) working hours for ten (10) or less years of qualifying service, or four hundred and forty (440) working hours for more than ten (10) years of such service. Accumulations in excess of these amounts as of January 1 of each year shall be forfeited by the employee, except as provided in 26.10 and 26.11.
- 26.8 Vacations shall be scheduled and taken only as authorized by the appropriate administrator. If a conflict in vacation requests arises, the appropriate administrator may give consideration to the employee(s) having the longest length of service at the campus provided that operational needs are met.
- 26.9 Requests for scheduling vacation shall be submitted in writing to the appropriate administrator at least thirty (30) days in advance. When authorized to do so by the appropriate administrator, an employee may take vacation without submitting such a request. When a request is submitted in writing, the appropriate administrator shall respond in writing, either approving or denying the request. Failure to respond within ten (10) days to a timely request shall constitute approval of the request.
- 26.10 The President may permit an employee to carry over more than the allowable credits pursuant to provision 26.7 when the employee was prevented from taking enough vacation to reduce the credits because the employee:
- a. was required to work as a result of fire, flood, or other extreme emergency;
 - b. was assigned work of priority or critical nature over an extended period of time;
 - c. was absent on full salary for a compensable injury; or
 - d. was prevented from using vacation previously scheduled to be taken in December because of being on paid sick leave.
- 26.11 Whenever an employee's accrued vacation amount will exceed or has exceeded the maximum accrual by the end of the calendar year as a result of the denial of one or more requests by the employee to schedule and use vacation in the last quarter of the calendar year, the following procedure shall apply:
- a. The employee shall submit a vacation request for the use of the excess vacation and the appropriate administrator shall respond to the request within ten (10) working days.

- b. In the event that the request has not been granted within the ten (10) day period, the employee and the appropriate administrator shall attempt to reach mutual agreement on alternatives dates on which to use the excess vacation.
 - c. If the employee and the appropriate administrator are unable to reach agreement, the employee may suggest three (3) alternative, non-overlapping periods of vacation time to be completed no later than June 30 of the new calendar year to utilize the excess vacation. The appropriate administrator shall agree to one of the three scheduling options submitted by the employee.
 - d. If the employee fails to submit the three (3) scheduling options for use of the excess vacation, the appropriate administrator will direct the use of vacation on days to be determined by the appropriate administrator.
- 26.12 A probationary employee shall not take vacation until completion of one (1) month in work status.
- 26.13 Upon separation from service without fault on their part, an employee is entitled to a lump-sum payment as of the time of separation for any unused or accumulated vacation or CTO. The vacation sum shall be computed by projecting the accumulated time on a calendar basis so that the lump sum will equal the amount which the employee would have been paid had they taken the time off, but not separated from service.
- 26.14 Employees separated from service through fault of their own are entitled to a lump-sum payment for any unused or accumulated vacation or CTO. The computation of this sum shall be based on actual accumulated time without projection as provided in 26.13.

In calendar weeks in which the employee works the eight (8) hour shift, the eight (8) hour shift shall be worked on (1) the day following the fourth consecutive nine (9) hour workday or (2) on the day prior to the four (4) consecutive nine (9) hour workdays.

The President shall designate that the workweek period begins at the midpoint of the bi-weekly eight (8) hour day so that the first four (4) hours of the eight (8) hour shift shall fall within one workweek, and the last four (4) hours of the eight (8) hour shift shall fall within the next workweek. - 28.15 Overtime is defined as authorized time worked in excess of forty (40) hours in the designated workweek.
- 28.16 For full-time employees in classifications listed in Appendix D, the workweek shall consist of seven (7) consecutive twenty-four (24) hour periods beginning at 12:01 a.m. on Sunday and ending at 12:00 midnight the following Saturday. The President may approve alternate workweeks of any other seven (7) consecutive twenty-four (24) hour periods. These employees shall work a minimum workweek of forty (40) hours and are eligible for overtime compensation. Authorized work may include participation in committee assignments and participation in approved career development activities.
- 28.17 Overtime shall be compensated at one and a half (1 1/2) times the employee's regular hourly rate.
- 28.18 Paid holiday, paid sick leave, and paid vacation time shall be counted as time worked for the purposes of this Article.
- 28.19 All overtime hours worked shall be compensated by cash or compensatory time off (CTO) as determined by the appropriate administrator. If an employee has been unable to take their CTO and has a CTO balance in excess of one hundred twenty (120) hours as of December 31, they shall be paid in cash for all hours in excess of one hundred twenty (120). Such payment shall be made by February 1 of each year.
- 28.20 The only official methods for the computation and accumulation of overtime in this bargaining unit are those provided in this Article.
- 28.21 Overtime shall be authorized and assigned by the appropriate administrator.
- 28.22 The appropriate administrator shall endeavor to equalize the overtime work among all qualified employees who have expressed interest in overtime work. An employee shall be required to work overtime if no qualified volunteer is available.
- 28.23 Requests for scheduling CTO shall be submitted to the appropriate administrator at least seven (7) days in advance. CTO shall be scheduled and taken only as authorized by the appropriate administrator. When authorized to do so by the appropriate administrator, an employee may take CTO without submitting such a request.

- 28.24 Upon seven (7) days' notice to the employee, the appropriate administrator may direct the employee to take earned CTO. When possible, the scheduling of such CTO shall be by mutual agreement of the employee and the appropriate administrator.
- 28.25 Upon request of the employee, the appropriate administrator shall provide an accounting of the employee's CTO balance.
- 28.26 When an employee is separated from service, they are entitled to a lump-sum payment for any earned CTO by reason of previous overtime worked.
- 28.27 Exempt Employees

The intent of this section 28.27 is to comply with the requirements of the Fair Labor Standards Act (FLSA).

- a. For full-time employees in classifications listed in Appendix C, the workweek shall be an average of forty (40) hours per week during any six (6) consecutive pay periods. This provision shall apply pro rata to less than full-time employees. Authorized work may include performance of specialized professional services, participation in committee assignments and participation in approved professional activities. Work in excess of the average workweek is not compensable in cash or CTO, and shall not be deemed overtime.
- b. Employees shall not be assigned an unreasonable or excessive workload.
- c. Employees who have absences of less than a full day shall receive a full day's salary and shall neither have their salary docked nor be required to use sick leave or vacation for such absences of less than a full day.
- d. CSU employees in exempt classifications are exempt from FLSA which means they are exempt from overtime payment requirements. If exempt employees need to work hours in excess of the normal business week or business day, they do not receive overtime or CTO. Exempt employees are expected to accomplish assigned work without regard for numbers of hours worked. When it is necessary for employees to work extended hours, managers may authorize informal adjustments in work hours. Normally, it is not necessary to keep complex records of hours worked. If a manager feels an employee is not working an appropriate number of hours, the employee should be counseled. If corrective actions are being considered, performance records should be maintained. Any non-disciplinary, corrective action by supervisors should be addressed to failures by

the employee to meet job performance standards and requirements. Typically, such cases should usually involve consultation by the supervisor with the campus Human Resources Office. Human Resources is informed of FLSA requirements and is able to obtain advice from the Office of General Counsel as needed.

The provisions of this section 28.27 are subject to the grievance procedure and pursuant to Article 10, grievances may be filed by individual employees, groups of employees or the Union on behalf of a unit employee or group of unit employees.

At the option of APC, in the event that a grievance alleging a violation of this provision is not settled at Level I, APC may submit solely the issue of whether a violation of this provision occurred directly to arbitration no later than thirty (30) days after the Level I response. In considering whether this provision has been violated, the Arbitrator shall not be precluded from reviewing the contract as a whole. Such arbitration hearing shall be held on a mutually agreeable date within forty-five (45) days of the date of the arbitration submission. Any party, its witnesses or the arbitrator may elect to participate in such arbitration hearings via conference telephone call. Such arbitrations concerning this provision shall be conducted without court reporter's transcripts or briefs.

Each individual's case will be decided on its own merits and grievance/arbitration decisions concerning this provision shall not operate as a precedent for other cases. The Arbitrator shall issue a written award but no opinion. With regard to provisions A, B, and D above, the sole and exclusive remedy for the CSU's violation of the terms of this provision shall be limited to a prospective cease and desist order.

- 32.5 Employees wishing to park at any CSU facility shall pay the CSU parking fees. The CSU shall provide for payroll deductions for this purpose upon written authorization by the employee. Parking fees may be increased at any time during the fiscal year, but campuses may not increase parking fees more than once per fiscal year.

- 33.1 When the President determines that a layoff is necessary on a campus because of a lack of work or lack of funds, the following procedures shall apply.
- 33.2 When the CSU determines that there is a need for implementation of any procedures outlined in this Article, the CSU agrees to immediately notify the Union, and upon written request, meet and confer with APC on the bargaining unit impact. The campuses will copy the Union Steward, or the statewide APC office if the campus does not have a Union Steward, on layoff letters to employees.

- 33.4 At least forty-five (45) days prior to the effective date of a layoff of a permanent employee, or thirty (30) days prior to the effective date of a layoff of a temporary or probationary employee, voluntary programs to avoid and/or mitigate layoff including, but not limited to, reduced worktime, unpaid leaves of absence (per Article 22), and use of the 10/12 and/or 11/12 pay plans (per provisions 27.1 – 27.9), shall be made available.
- 33.5 Student assistants performing work that is the same as, or comparable to, the work performed by a probationary or permanent employee in a classification within an organizational unit undergoing layoff shall be separated prior to laying off any probationary or permanent employee in the classification within the organizational unit undergoing layoff.
- 33.6 When the CSU determines that there may be a need for implementation of any procedures in Article 33, Layoff, the number of student assistant hours and the number of administrators shall not be increased for the purpose of performing bargaining unit work.

Order of Layoff

- 33.7 Layoff shall be within classifications determined by the President. Ten (10/12) month, eleven (11/12) month, twelve (12) month and academic year positions with the same

class title shall, for the purposes of layoff, be considered a single class. The order of layoff shall be:

- a. first, intermittent employees;
- b. second, temporary employees;
- c. third, probationary employees;
- d. last, permanent employees.

Intermittent employees who perform work on an irregular basis may be excluded from layoff at the discretion of the President. Temporary and probationary employees in a classification shall be separated or laid off before permanent employees in the same classification. Non-reappointment of an intermittent or temporary employee does not constitute a layoff.

Temporary and Probationary Employees

- 33.8 The President shall establish the order of layoff for temporary and probationary employees in a classification by considering only the following factors:
- a. specialized skills and competency of the employee in relation to program need; and
 - b. documentable meritorious service of the employee.

Permanent Employees

- 33.9 The order of layoff for permanent employees in a classification shall be in reverse order of seniority.
- 33.10 A permanent employee who possesses documentable specialized skills that are needed for the program, not possessed by other employees in classification(s) undergoing layoff, may be excluded by the President from the layoff list.

Computation of Seniority Points for Permanent Employees

- 33.11 All seniority points calculated for and earned by permanent employees prior to June 30, 1983 shall remain unchanged. Such seniority points shall serve as the base to which additional seniority points, earned pursuant to the terms of this Agreement, shall be added. The computation of seniority points pursuant to the following provisions shall replace the existing method of computation for points earned subsequent to June 30, 1983. Thereafter, seniority points shall be calculated and provided to the Union by the Office of the Chancellor upon written request by the Union or those campuses that have notified APC of a layoff of Unit 4 employees.
- 33.12 Full-time permanent ten (10/12) month employees, eleven (11/12) month employees, twelve (12) month employees, and academic year employees shall earn one (1) seniority point of service credit in a given class for each qualifying month of employment. Part-time employees holding permanent status shall earn seniority points proportional to the time base served. In no case shall a permanent employee earn more than twelve (12) seniority points per year.
- 33.13 For the purpose of computing permanent employee seniority credit, length of service includes continuous time served on the campus as a temporary, probationary or permanent employee and is counted from the date of appointment to the current class held, consistent with provision 33.14 below plus any service in classes of equal or higher rank on the campus which has not been interrupted by a permanent separation. The term "class of equal rank" as used in this Article shall mean a class of not more than one-half (1/2) step (approximately two and one-half (2-1/2) percent) above or below the maximum salary of the employee's current class.
- The term "class of higher rank" as used in this Article shall mean a class which has a maximum salary of more than one-half (1/2) step (approximately two and one-half (2-1/2) percent) above the maximum salary of the employee's current class.
- 33.14 After ratification of this agreement, a Unit 4 employee may be temporarily reassigned to serve in either an MPP or non-represented classification for up to twenty-four (24) months without the employee having a break in continuous service or losing prior earned seniority points. After twenty-four (24) months there will be a break in continuous service for the purposes of retaining Unit 4 seniority.
- 33.15 Service in another bargaining unit does not count for seniority purposes in Unit 4, but it does not count as a break in continuous service for the purposes of retaining previously earned Unit 4 seniority.

- 33.16 Seniority credit is counted from the first calendar month of appointment to the current classification held, or upon the return from leave without pay status (when such leave does not count for seniority credit pursuant to provision 33.18), if the appointment or return date is on or before the fifteenth (15th) calendar day of that month. Seniority credit is counted from the second calendar month of appointment to the current classification held, or upon the return from leave without pay status (when such leave does not count for seniority credit pursuant to provision 33.18), if the appointment or return date in the first calendar month is after the fifteenth (15th) calendar day in that month.
- 33.17 Seniority credit upon separation from a classification, or upon the commencement of leave without pay status (when such leave does not count for seniority credit pursuant to provision 33.18), shall terminate effective the end of the calendar month preceding the date of separation or leave if the date of separation is on or before the fifteenth (15th) calendar day of the month of separation. Seniority credit upon separation from a classification, or upon the commencement of leave without pay status (when such leave does not count for seniority credit pursuant to provision 33.18), shall extend until the end of the calendar month of separation or leave if the date of separation is after the fifteenth (15th) calendar day of the month of separation.
- 33.18 All time spent in family care, military, disability, loan of an employee to another governmental agency or leave with pay status shall count toward the accumulation of seniority points. All other time spent in leave without pay status, as well as periods of suspension without pay, shall not count toward the accumulation of seniority points; however, such time shall not constitute a break in continuous service.
- 33.19 In the event a class is abolished or the use of the class restricted and a new class established in its place, all time served in the prior comparable class shall be counted as service in the new class.

Tie-Breaking in the Order of Layoff

- 33.20 A tie exists when two (2) or more permanent employees in a classification undergoing layoff have the same number of seniority points.
- 33.21 The President shall break ties in establishing the layoff order of permanent employees by considering documentable specialized skills and the competencies of the employee.

Employee Notice of Layoff

- 33.22 Except as provided in Article 13, Appointment, a temporary or probationary employee who is to be laid off shall receive notice of such layoff from the President no later than thirty (30) days before the effective date of layoff.
- 33.23 A permanent employee who is to be laid off shall receive notice of such layoff from the President no later than forty-five (45) days prior to the effective date of layoff.
- 33.24 All notices of layoff shall be in writing and mailed by certified mail, return receipt requested, to the employee's last known mailing address.

Employee Options in Lieu of Layoff

- 33.25 A permanent employee who has received a notice of layoff may exercise their right to elect transfer to any vacancy on the campus in the bargaining unit for which they are currently qualified. Such qualifications shall be determined in the normal manner. When two (2) or more such permanent employees elect transfer to the same vacancy in accordance with this provision, the employee to be transferred shall be selected on the basis of any of the following factors:
- a. specialized skills and competencies of the employee; and
 - b. documented meritorious service of the employee.
- 33.26 A permanent or probationary employee who has received a notice of layoff may elect to be transferred or demoted to any classification in which they have served as a permanent employee during the period preceding the layoff, provided the class has not been abolished, there has been no break in service, and the employee is currently qualified for the position. If the class has been abolished and the University determines a comparable class has been established, the employee may, in accordance with the foregoing, transfer to the new class. An employee who elects transfer or demotion pursuant to this provision shall have their seniority points recomputed, pursuant to provisions of this Article, on the basis of the class to which they are moving.
- 33.27 In order to elect the options in provisions 33.25 - 33.26 above, an employee must notify the campus Human Resources Office in writing not later than seven (7) days after receiving the notice of layoff.

- 33.28 An employee replaced by the demotion or transfer of an employee who has received a notice of layoff shall have the same rights as outlined in provisions 33.25 and 33.26 above of this Article.

Reemployment Rights

- 33.29 In the event that intermittent bargaining unit work is available, such work shall first be offered to employees on the Article 33.30 reemployment list if the employee was in the classification series of the intermittent position and is qualified to perform the work. Offers of intermittent work shall first be offered to the most senior employee on the reemployment list in the classification series and in descending order of seniority, provided the employee is qualified to perform the work.

Declining intermittent work shall not negatively affect the employee standing on the Article 33.30 reemployment list.

- 33.30 The name of a laid off permanent employee shall be entered on a reemployment list by class in order of seniority. A name may remain on a reemployment list for five (5) years. It is the obligation of the laid off person to notify the campus of address change.
- 33.31 Position vacancies in a class for which there are names of qualified individuals on the reemployment list shall not be filled without first making an offer of reemployment to those on the list. If any individual on the reemployment list declines two (2) such offers, the employee waives their reemployment rights. An individual on a reemployment list may request inactive status for up to one (1) year.
- 33.32 An employee reemployed under the conditions of this Article shall retain permanent status rights, service credit (subject to California Public Employees' Retirement System (CalPERS) regulations), salary rate, sick leave, and seniority credits they held at the date of layoff.
- 33.33 The CSU shall provide a job clearinghouse to advise and inform employees in classifications undergoing layoff of employment opportunities at other campuses. The services of the clearinghouse shall be available upon request to permanent employees in receipt of a notice of layoff or former permanent employees on a reemployment list. A campus may not fill a vacancy without ascertaining whether such an employee or former employee has applied. If such an employee has applied for a vacancy, their application shall be considered, and if qualified for the vacant position, they shall be granted an interview. Such qualifications shall be determined in the normal manner.

ARTICLE 34

DURATION AND IMPLEMENTATION

- 34.1 This Agreement shall become effective upon ratification by both parties and shall remain in full force and effect up to and including June 30, 2024.
- 34.2 All contractual provisions changed from the prior Agreement shall be effective upon ratification of this Agreement by both parties except that wherever a date is specifically indicated herein as the effective date for a change, such specifically indicated date shall govern.
- 34.3 Negotiations for a successor agreement shall commence when one of the parties delivers to the other its proposals in writing, no earlier than February 1 and no later than March 1, immediately preceding the expiration of this agreement.
- 34.4 Any term(s) of this Agreement which is deemed to carry an economic cost shall not be implemented until the amount required therefore is appropriated and made available to the CSU for expenditure for such purpose(s). If less than the amount needed to implement this Agreement is appropriated and made available to the CSU for expenditure, the term(s) of this Agreement deemed by the CSU to carry economic cost shall automatically be subject to the meet and confer process.

APPENDIX L

INSTRUCTIONS FOR COMPLETION

USE: The Report of Employee Performance form is to be used for the evaluation of employees in Unit 4, Academic Support. Evaluations are conducted during the employee's probationary period and annually thereafter. The evaluator may wish to evaluate an employee more often than the prescribed intervals. When doing so, mark the box labeled Special. If space is inadequate, the evaluator may attach extra sheets containing comments, or Page 3 of this document provides additional space.

Section A: Check one column for each factor. When a factor is not considered applicable to a particular job or when the evaluator has not been able to observe the behavior, the category may be recorded as Not Applicable (NA). Check marks in Columns "1" and "2" require specific explanation in Section D. Record the overall performance in the section entitled Overall Evaluation, taking into account all factors and total performance over the period being evaluated. The Overall Evaluation should not be viewed as an average of all areas rated. The value applied to a factor may vary depending on the duties assigned to the position.

Meets Expectations: Meets all normal requirements of the position in a competent manner. **Exceeds Expectations:** Consistently competent performance exceeding normal standards in all critical factors for the position. **Outstanding:** Total performance is far above normal standards for the position. **Below Expectations:** Total performance periodically or regularly falls short of expectations. Specific deficiencies should be noted in Section D or in a signed and dated attachment.

Unacceptable Performance: Performance is clearly inadequate. Employee has demonstrated an inability or unwillingness to improve or meet expectations. Performance is not acceptable for position held. Specific deficiencies should be noted either in Section D or in a signed and dated attachment.

Section B: Describe outstanding qualities. Provide examples for check marks in Columns "4" and "5." (Attach additional sheets if necessary.)

Section C: Discuss progress or lack thereof toward achievement of goals during last rating period.

Section D: Discuss required improvement or correction. Provide examples for marks in Columns "1" and "2". (Attach Additional sheets if necessary.)

Section E: Record agreed-upon or prescribed performance goals for the next evaluation period.

Section F: Complete this section only if the employee is on probation. At any time during the probationary period, an employee may be rejected from further employment or, if permanent in another class, returned to that class. If the evaluator wishes to recommend rejection during probation, the evaluator must immediately notify the Office of Consultation will be provided at that time.

RECOMMENDATIONS FOR COMPLETING THE EVALUATION PROCESS:

1. Prepare an initial draft of the Report of Employee Performance. Prior to meeting with the employee to discuss the draft Report, the evaluator may request the employee to complete a self-evaluation, which will also be discussed during the performance evaluation interview.
2. Provide the employee with a draft copy of the Report of Employee Performance prior to a performance evaluation interview and inform the employee of the date, time, place and purpose of the evaluation interview. The employee shall have 14 days to submit a rebuttal (if any) to the evaluator before the evaluation is finalized. During the interview, the evaluator should encourage the employee to discuss their opinions and observations regarding the content of the evaluation.
3. Upon completion of the evaluation interview, the Report of Employee Performance is completed in final form and signed by the evaluator. The Report is then given to the employee for signature. The employee may include comments on the form or may attach written comments, if desired, and return the Report to the evaluator. If the employee refuses or declines to sign the Report, the evaluator must indicate this under EMPLOYEE'S SIGNATURE OR ACKNOWLEDGEMENT. If the employee disagrees with the final performance evaluation, the employee may also subsequently submit a rebuttal statement that will be attached to the final performance evaluation in the employee's personnel file.
4. The Report of Employee Performance is forwarded to the reviewing officer for signature. The reviewing officer is an MPP manager to whom the evaluator reports unless the college or department has designated another manager to act as reviewing officer
5. The completed Report of Employee Performance and any attachments must be copied and distributed by the evaluator as follows: **ORIGINAL**-to the Office of ; **COPY**-to the employee being evaluated; **COPY**-to the department.
